## PRESIDENTS REPORT

Hi Everyone,

Welcome to round 3 - it seems like we waited so long for the footy to start and now it is flying by.

On the back of our massive round 1 opener and function at our new pavilion, it was a welcome relief for our hard-working committee to have a full day of away games in round 2. Our sides travelled all over the Peninsula last week; with our lower age teams slotting into a tranquil little ground in the backyard of some very impressive houses in Portsea. The atmosphere was quite unique with football happening directly over back fences - and I would think the sounds of junior sport ringing through the neighbourhood would have been most welcome - even if the cars on the nature strips were not!!

Once again we had mixed results from our sides in round 2, but the feedback from our coaches, administrators and opposition clubs has been positive about our attitude and competitiveness across the board. Some of our sides have started the season strongly and have jumped back into their competitions nicely, while others are getting a feel for new divisions or age groups and still finding their feet.

Our first social function for the year occurred last Friday night, with the Comedy-for-a-Cause fundraiser in the new club rooms. We were treated to a wonderful night of stand-up comedy from some very talented performers, and with the new bar in full-swing the night was a complete success. It was a great snapshot for us as to how we can run and manage functions in our new facility, and the feedback from those who attended was reassuring.

As mentioned previously, the major target for all of our fundraising this year is the installation of digital scoreboards at Citation Reserve. Our sponsorship team headed up by Paul and Jacinta have been working tirelessly to land some sponsors, and we have some encouraging and exciting developments coming shortly. If you have a business and would like to sponsor the club, or know of any that do, please make contact with the sponsorship team and they will follow it up (details inside front cover of Tiger Tales).

Please take the time to support the social events where you can - the money will be re-distributed directly back into our club and will be used to further improve our facilities.

Good luck to everyone with the games this weekend and above all, let's all enjoy being involved with footy again. We should also take a moment to acknowledge all of the Mums in our club this Sunday for Mother's Day; without your dedication, support and encouragement Junior Sport just does not happen, so we appreciate and thank all of our mums all year round - but especially this weekend.

Have a great weekend.

## THANK YOU TO OUR SPONSORS

## PLAYERS CODE OF CONDUCT

### MPJFL PLAYERS CODE OF CONDUCT

1. Abide by the rules of the game and rules set down by your coach, club and league.
2. Never argue with an official or umpire.
3. Control your temper. Verbal or physical abuse of officials, umpires, spectators or other players, deliberately distracting or provoking an opponent is not acceptable or permitted.
4. Work equally hard for yourself and your team. Your team's performance will benefit, so will you.
5. Be a good sport. Applaud all good players whether they be by your team, opponent or the other team. Be proud to walk off the ground after each game knowing that you have given your best effort and never involve yourself in an argument with opposing players, umpires or officials.
6. Treat all players, as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player. Your involvement to play is for fun and enjoyment and that winning is only a part.
7. Co-operate with your coach and teammates and respect the ability of your opponent. Without them there would be no game.
8. Play for the 'fun of it' and not just to please parents and coaches.
9. Avoid use of derogatory language based on gender or race.
10. Adhere to the MPJFL Smoke Free Policy at all times.

### INSURANCE AND CLAIMS

SMJFC has Platinum Insurance Cover with JLT Sport Insurance [www.jltsport.com.au](http://www.jltsport.com.au). This provides full Ambulance cover plus 90% reimbursement of out of medical expenses to a maximum of \$7500.00.

### Parents

1. It is preferable that parents and guardians are present on Game Day
2. If you are unable to be present you must inform the Team Manager that day of your contact number and be contactable at all times.

## PARENTS CODE OF CONDUCT

### MPJFL PARENTS AND SPECTATORS OF JUNIOR FOOTBALL CODE OF CONDUCT

1. Encourage children to participate if they are interested. However, if a child is not willing, do not force them.
2. Focus upon the child's effort and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing emphasis on winning.
3. Teach your child that honest effort is as important as victory so that the result of the game is accepted without undue disappointment.
4. Encourage your child to always play by the rules.
5. Never ridicule or yell at your child for making a mistake or losing a competition.
6. Remember your child should be involved in football for their enjoyment, not yours.
7. Remember your child learns best from example. Applaud good play by both your team and by members of the opposing team.
8. If you disagree with an official or umpire raise the issue through the appropriate channels rather than questioning the official's judgement and honesty in public.
9. Remember most officials give their time and effort for your child's involvement.
10. Support all efforts to remove verbal and physical abuse from junior sporting activities.
11. Recognise the value and importance of volunteer coaches. They give their time to provide recreational activities for your child and deserve your support.
12. Support your club officials in maintaining the highest standard of behavior both on and off the field for the betterment of the league and your family. Offer assistance to the team that your child is playing in so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.
13. Avoid use of derogatory language based on gender or race.
14. Adhere to the MPJFL Smoke Free Policy at all times.

**Smoking BY-LAW** 2 Smoking will be banned within 10 metres of an organised outdoor underage sporting event including; breaks or intervals in play during the event or training session

## MATCH REPORT

### SOUTH MORNINGTON YELLOW VS SORRENTO JFC WHITE

What an amazing opportunity I had to coach this great team of boys for this game. Everyone was full of excitement and enthusiasm in the pre game warm ups, and I knew this was going to be a great game.

From the opening bounce all the boys put in a huge effort running hard, chasing, tackling and more often than not were the ones at the bottom of the pack, hungry for the footy.

Isaac was the captain and played an outstanding game for all 4 quarters leading by example and getting plenty of the football.

The second quarter everyone really hit their stride and played a real team game, locking the ball in our forward line for almost the whole quarter ending up in our first goal for the year, thanks to Lawson. The smiles on all the boys faces as they bounced into the half time huddle really showed that they knew they achieved something special that quarter.

Nathan also played an outstanding 4 quarters and received the coaches award for his efforts.

Everyone really showed great spirit keeping the intensity up for the 2nd half, and did not stop running till the final siren.

Every week they are showing massive improvement and really coming together as a team.

Well done Under 9 Yellow's, keep up the great work.

**COACHES AWARD:** Gus

**CANTEEN AWARD:** Harlan, Pringle time: Lewis

**GOALS:** Rafa, Kade, Griff, Gus and Chase (wrong colours right attitude)

### HIGHLIGHTS:

- Every player having a red hot go.
- Hitting targets
- Staying on our man when defending
- Our players filling in for Sorrento

**WORD FROM THE COACH:** The cucumber sandwiches were prepared and the good picnic basket was packed for our jaunt down to Portsea. The sun shone, the birds tweeted and the oval was in pristine condition ready for us to really start our 2019 campaign.

From the first bounce the game was played in great spirit from both sides. A free flowing affair with both teams moving the ball well from end to end. There was some notable actions in the first half with excellent ground ball gets and handpasses for Riley, Gus, Hal and Lewis that allowed some free running by the likes of Sam, Rafa, kobe and Jayden. The Umpire was red hot on the tackling rules and the team adjusted to ensuring the opposition stayed on their feet when possible, Liam M lead the way with a text book U9 tackle that was always going to be rewarded and the tam followed suit. All this positive ball movement was being backed up by Harry holding his nerve and staying as the last line of defence at full back.

The ball raced out of the centre by hand and foot in the third quarter with Pizzey and the rest of the centres sedgin it forward. Our goals peppered with Griff booting one through the big sticks. The boys manned up whenever we didn't have the ball and locked it into our forward half, it only once got past Kade and his sticky fingers but Dusty saved a certain goal. Every player showed excellent tackling and positive ball movement looking for a team mate to pass it to when not in range. Ollie and Cohen really lit up the ground with blistering attack and Evan just missed an early goal of the year attempt.

In the final quarter it was great to see Archer dominate in the ruck and make sure we had first use. The furious 4 kept lowering their eyes and finding targets to ensure we held possession. We held our positions and Harlan on the wing was rewarded with a heap of possession. The highlight of the quarter was Harley and Chase playing for Sorrento, they both gave there all and Chase slotted a big goal against us. If we strive to be our best no matter the circumstances everyone around you will be better for it. A Chin chin cheerio thankyou to the U9 Black Army of parents and families with the have a go attitude and positive action that makes a champion team. With Wayne around the whole song was sung loud and strong. GO TIGERS

### WORD FROM THE COACH:

YES! YES! YES! Our first real win of the season...  
So we journeyed all the way down to the end of the Peninsula to a very "Boutique" little oval which I'm pretty sure no one new existed. Our little Tigers started off slow, letting Sorrento kick off to an early lead. But a few oranges, a couple of snakes and a stirring quarter time rev up from the coaches and parents led to a resurgence from the boys...

Jimmy back from a stint on the side line with his broken arm tackled like a machine- clearly over the injury! Patrick was everywhere on the oval, in, under, chasing, tackling, marking, kicking, running- what more could you ask for! Will Griffiths had another terrific game, his cleaver run down the wings, carrying the ball and having the knack of always seeming to be in the right spots. The 'Juggernaut' was instrumental in the teams comeback- taking terrific marks and applying some hard tackling pressure. Also a special mention to Jack S- kicking his first ever goal right at a pivotal part of the game, let's hope it's the first of many for your footy career Jack!

We couldn't be happier with the way the boys are progressing, remember in order to improve it's important to get to training each week, and practice, practice, practice every chance you get!

Big Thanks to our stand in Team Manager today Lauren- great to know there's so many people willing to help out and support our Team!

### WORD FROM THE COACH:

Portsea Rec Reserve supplied a carnival type atmosphere & a sunshine bathed oval for round 2 away v Sorrento.

Key areas discussed were;

- Fast start & early scoreboard pressure, especially when we are on the road - super important.
- Harder, lower, longer - below the knees, head over the footy, Tiger tough. 4 strong quarters, playing right to the siren.

Our young Tigers went bang with 2 quick goals & we were off & running. The sharks dug deep though & we knew they were in for the fight. We had spoken during the week about lapses in concentration & maintaining focus, with the aim always to be 4 strong quarters. That's the challenge for this group moving forward. Goals seemed to come too easy we thought for Sorrento over quarters 2 & 3, but we had the answers when it counted & kept a handy buffer entering the last stanza.

Probably our best quarter was the last, although the scoreboard doesn't indicate that. Our tackling & pressure around the ball lifted & we gave Sorrento no easy possessions.

We finished the game really strongly & 26 scoring shots to 13 indicates we had plenty of chances to ice the game, but our conversion let us down.

GOAL KICKING practice this week boys !

Special mentions - Jack D (work-rate), Jack G (impact in the last Q), Taj (lifted 2nd half in ruck), Wheels (crucial contested mark late), Belly (2 x 3rd Q goals vital), Nutts (never say die attitude).

We must strive to improve individually & as a team every session, every week. Plenty of positive signs for sure. It starts @ training !

Thanks to my support crew & family helpers for their continued support.

We're strong & we're bold.

### WORD FROM THE COACH:

Great conditions once again playing up at Red Hill on the chip. Captains for the day were birthday boy Dusty and Jye.

Up against our toughest competition Red Hill it was always going to be a close game. Dusty and Jye led from the front as our captains, Dusty was instrumental in many centre clearances which resulted in goals. Jye as always was tough at the ball and supported his team mates. Logan worked hard in the backline and kept it simple, if the ball was near him he was getting it and his opponent wasn't, good to see Logan! Jackson applied forward pressure and did everything he could to keep the ball in our forward line, which resulted in goals for his team mates. Seb was ferocious in the centre square and worked hard all day. Seb kicked a miracle banana goal from the boundary which capped off a dominant display. Tom M had a very busy 2nd half and was in everything up forward. Tom kicked a fantastic running goal in the last quarter to get us within a point. Nate was given a slightly different role this game and sacrificed his own game for the team. Nate is a fierce competitor and runs his guts out for the team and this game was no different. Javi and Will provided a target up forward all day and finished with 2 goals apiece.

Our slow start combined with some inaccurate kicking for goal early put us on the back foot. A fantastic response from our team and we almost pinched it in the last quarter. Our team can take a lot from this game, the effort and perseverance was top notch especially in the 2nd half.

Let's look to bounce back next week, starting with a sharp training session on Wednesday to get us ready for round 3.

Keep enjoying your footy. Jason

### WORD FROM THE COACH:

This week we had Somerville at the Somerville senior ground which is set up for our running game, we had a couple of outs so only had 20 players.

To start we controlled the ball in the middle and our big forwards in Matty and Jordy controlled the air with both kicking goals. We created opportunities with sharp handball and hard running, our mid-fielders trounced our opponents with Zach giving Ryder and Trav first class service. Ollie Lynas was running straight at the footy clearing off the half back line with Reece taking advantage when the ball hit the deck.

In the second we watched as Somerville got themselves in the game with hard tackles and swarming to stop us in our tracks. The boys were failing to pick the ball off the ground as they were feeling the pressure for the first time. Again it was Jordy who soared in the goal square to pluck another grab to kick our only score for the quarter. Trav, Eddie, Jimmy and Barny were solid in defence doing the tough stuff to keep us ahead at halftime.

After a decent spray from the coach at half time the guys came out and played the type of footy we want to be know for. The run and link up footy were on display as we bombarded the forwards with some good foot passing. What forward thrusts Somerville had were stopped dead and it was our turn to swarm them forcing hurried kicks and panic handball. Ollie Lynas again showed the way with his attack on the footy and long kicking out of the back half. A good quarter of footy which showed us when we are switched on we are going to be a hard team to match up on. Goals to Jacko and Jordy with his third were a reward for the hard work by our backs.

The last saw us go away with it again as we did last week, it's a great sign to see the team steam roll over a team once we have an advantage. Our three last quarter goals to Zach, Finn and Trav were the reward for a dominant midfield display. Reece Cameron again showed that he's going to be the recruit of the year, while Trav Barden and our rucks Zach and Finn dominated. Not often I'll single out one player but the improvement of Barny Slocombe with his one grab ground balls and pack mark in the last is worth a special mention. A very even team performance where every player put their hand up when required.

Cheers John

### WORD FROM THE COACH:

Wide Open Spaces!!

We headed up the Hill to face a combined team playing their first ever game together on a perfect day for football, not exactly knowing what to expect.

The start was scrappy and congested and no goals were kicked in the first ten minutes. We settled after that and managed to kick 4 late ones in the first term. The second qtr saw us kick with a slight breeze and we started to show signs of moving the football in the way I had asked putting 6 majors on the board.

After half time we controlled the game on the scoreboard and ran away with a very convincing win.

The encouraging thing that I took out of the game is that we still have lots of room for improvement and we will need to if we are going to hold our own against the stronger sides.

Turn up to training boys ready to train well and we can all improve together. Thoughts are with Kye who suffered a fractured collar bone out of the game. Get well mate and hopefully we'll see you back out on the park really soon

### WORD FROM THE COACH:

Up against Balnarring who would be real good guide to see how far this group had improved, as Balnarring have been a real nemesis over the last few years.

Stressed pre game the importance to get away to a quick, strong start and to be prepared for the contest. The boys got off to a flyer to kick 5 first quarter goals, which set up the game.

After the first quarter we controlled the game, and in the last quarter really put the foot down and kicked 6 goals 6, I think this a reflection of our strong preseason and the rotations we are doing throughout the game to keep players fresh.

From a coaching point of view really happy with the -

- Team work, and style of play - fast & first options
- Getting reward for efforts when going forward.
- Team pressure, although we had more of the ball, to outnumber Balnarring in tackles shows the mindset of the group.
- The overall positive attitude of the group at training & on match day. Team first attitude.

To the boys let's all get to training, as I still believe there is huge upside in this group, and lets keep improving as a group and individually.

Finally thanks to all the helpers and a big thanks to the Reilly & Voigt families for sponsoring the team.

Cheers Collo

## MATCH REPORT

### SOUTH MORNINGTON VS SOMERVILLE

Very tough day out at Hastings today. Sadly injury reduced us to a playing list of 15 so unfortunately the team found it tough to find its rhythm today.

The boys played a very strong first qtr matching it with our opponent until our lack of bench meant that fatigue became a factor earlier than normal

The most impressive thing about this unit is that despite being heavily undermanned and totally wrecked, the team was competitive throughout, refused to be blown away and kept the opposition to a very modest score.

Boys will be sore moving forward and we look forward to regaining our players over the coming weeks.

Trevor

## THEME SONG

Oh we're from tigerland  
A fighting fury we're from tigerland  
In any weather you will see us with a grin  
Risking head and skin  
If we're behind  
We'll never mind  
We'll fight and fight and win  
Oh where from tigerland  
We never weaken til the final siren goes  
Like the tigers of old  
We're strong and we're bold  
Oh we're from tiger  
**Yellow and black**  
Oh we're from tigerland
