## PRESIDENTS REPORT

Another great day of weather greeted us for a full day of footy at Citation last weekend and once again our club didn't disappoint. There were some wonderful results put on the board by some of our teams across the day, and once again the feedback from opposition sides about our facilities and our competitiveness on the ground is positive.

As mentioned in the last Tiger Tales, the Committee are working really hard to raise funds for our digital scoreboards at the ground - so please keep an eye out over the coming weeks for social events and fundraisers within the club. Your help and support is appreciated and the sooner we can achieve our goal with the scoreboards the better. There are some major functions approaching in the next month or so, but also there is a family meal night after our Skills Clinic this month, some Friday night games to come (debuting the new lights on the top oval!!) and our New Bar will be re-opening Friday nights after training from this week onwards; all opportunities to get down and enjoy the social aspect of our new rooms and raise some money for the scoreboards.

Thanks once again to all the wonderful mums in the club who were on hand on Mothers' Day to help out as always - and we can all rest easy this weekend with a full round of away games. Have a great weekend of footy and we will see you all back at home for round 5!!!

## PLAYERS CODE OF CONDUCT

### MPJFL PLAYERS CODE OF CONDUCT

1. Abide by the rules of the game and rules set down by your coach, club and league.
2. Never argue with an official or umpire.
3. Control your temper. Verbal or physical abuse of officials, umpires, spectators or other players, deliberately distracting or provoking an opponent is not acceptable or permitted.
4. Work equally hard for yourself and your team. Your team's performance will benefit, so will you.
5. Be a good sport. Applaud all good players whether they be by your team, opponent or the other team. Be proud to walk off the ground after each game knowing that you have given your best effort and never involve yourself in an argument with opposing players, umpires or officials.
6. Treat all players, as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player. Your involvement to play is for fun and enjoyment and that winning is only a part.
7. Co-operate with your coach and teammates and respect the ability of your opponent. Without them there would be no game.
8. Play for the 'fun of it' and not just to please parents and coaches.
9. Avoid use of derogatory language based on gender or race.
10. Adhere to the MPJFL Smoke Free Policy at all times.

### INSURANCE AND CLAIMS

SMJFC has Platinum Insurance Cover with JLT Sport Insurance [www.jltsport.com.au](http://www.jltsport.com.au). This provides full Ambulance cover plus 90% reimbursement of out of medical expenses to a maximum of \$7500.00.

### Parents

1. It is preferable that parents and guardians are present on Game Day
2. If you are unable to be present you must inform the Team Manager that day of your contact number and be contactable at all times.

## PARENTS CODE OF CONDUCT

### MPJFL PARENTS AND SPECTATORS OF JUNIOR FOOTBALL CODE OF CONDUCT

1. Encourage children to participate if they are interested. However, if a child is not willing, do not force them.
2. Focus upon the child's effort and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing emphasis on winning.
3. Teach your child that honest effort is as important as victory so that the result of the game is accepted without undue disappointment.
4. Encourage your child to always play by the rules.
5. Never ridicule or yell at your child for making a mistake or losing a competition.
6. Remember your child should be involved in football for their enjoyment, not yours.
7. Remember your child learns best from example. Applaud good play by both your team and by members of the opposing team.
8. If you disagree with an official or umpire raise the issue through the appropriate channels rather than questioning the official's judgement and honesty in public.
9. Remember most officials give their time and effort for your child's involvement.
10. Support all efforts to remove verbal and physical abuse from junior sporting activities.
11. Recognise the value and importance of volunteer coaches. They give their time to provide recreational activities for your child and deserve your support.
12. Support your club officials in maintaining the highest standard of behavior both on and off the field for the betterment of the league and your family. Offer assistance to the team that your child is playing in so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.
13. Avoid use of derogatory language based on gender or race.
14. Adhere to the MPJFL Smoke Free Policy at all times.

**Smoking BY-LAW 2** Smoking will be banned within 10 metres of an organised outdoor underage sporting event including; breaks or intervals in play during the event or training session

### SOUTH MORNINGTON VS ROSEBUD

**AWARDS:** Coaches award – Harper Kannangara  
Pizza voucher – Jack McGregor  
Player of the day award – Josh Winsor  
Footy Cards – Kai Hayward

### HIGHLIGHTS

- Seeing the continued improvement from the whole team
- The 'never give up' attitude being displayed right to the end of the game
- Having the instructions, the players were given at the breaks being followed in the next quarter

This week we played away again, and everyone was there nice and early at 7:30... even if the mums were feeling a bit hard done by. Hopefully the boys looked after you mums with a nice foot rub or some peace and quiet later in the day.

### WORD FROM THE COACH:

The boys put in a great effort against a team that contained a lot of second year U9's. There were some very encouraging passages of play as they worked the ball out of the back line and all the way into the forward line. The ball was locked in our attacking 50 for most of the final quarter. Jethro and Xavier seemed like they had identical twins, they were everywhere in the final quarter and Jack ran in and took an amazing mark to keep the ball in the forward half. Unfortunately, we weren't quite able to finish it off once we got within range of goal, but it shows that we can get into a scoring position and that there was definite improvement as the game went on. If we keep this up, we will be scoring regularly in no time.

There were some great marks taken and I loved the effort that was put in to chase and put pressure on the Rosebud players when we didn't have the ball. Josh was really active in defence during the first half when the ball spent a lot of time down there, Hudson and Ed were involved in some 2 or 3 on ones and came away with the ball. Lawson was our captain today and had a great start to the game playing in the ruck for the first quarter. He managed to get a few hitouts and get the ball to his teammates. Isaac, never stopped running and was involved in loads of contests, this resulted in him being awarded the Opposition Game Day Award by Rosebud.

Harper was involved through out the game and he showed impressive consistency, never giving up and getting some good kicks away while under pressure. Kai offered to play for Rosebud as they didn't have the numbers, well done mate for showing some great sportsmanship.

Finally a big thank you to all of the helpers and supporters who came out to cheer us all on so early on Mother's Day.

### WORD FROM THE COACH:

WOWEE!!! 2 wins in a row...

A home game on Mother's day was much appreciated by all after the long journey down the Peninsula last weekend. The day was perfect for footy, no dew on the deck and a balmy (for Melbourne) Autumn day greeted us as our Tigers started arriving at the Den for the 3rd round of the Season.

Xavier M was terrific today- put his head over the ball and chased down the loose ball. Hunter was strong with his run and carry of the ball, his run out of full back and half way down the field was perfect and just what we asked him to do! Patty was a leaping marking machine! Taking high flying marks and sending the pill forward on countless occasions. Baylin's attack on the ball in the last quarter was OUTSTANDING! His relentless effort to get the ball was remarkable. Dane was heavily outnumbered 3 to 1 in the back line and laid a bone jarring bump to save an almost certain goal... Well d one to all these boys and the rest of the team- especially those who selflessly offered to go and play with the Mt. Martha team as they were short in numbers.

It's great to see the continued progression in all the boys, remember in order to improve it's important for ALL boys to get to training each week, and practice, practice, practice every chance you get!

**CAPTAINS:** Seb & Jimmy  
**AWARDS:** Javi (medal), Nate, Dusty, Seb, Jimmy, Lenny, Tom L, Daniel  
**GOALS:** Hosey 3, Jimmy 2, Will 2, Javi 1, Zac 1

### WORD FROM THE COACH:

WELL DONE SEB 50 GAMES!

Wow what a start to the game, we were switched on from the start which was good to see. Seb playing his 50th game was instrumental in getting the team off to a good start. Seb is so tenacious in the centre square and is always looking to get the centre clearance for the team. Javi was tough all day, he really gave his all to every contest he was in, and if he didn't win the ball the he made it as difficult as he could for the opposition while providing a focal point up forward . A 5 goal lead at ½ time was fantastic but as a team we didn't take our chances and let Rye back into the game. Scores were level in the last quarter and Nate stood up, with clearance after clearance which eventually led to Hosey finishing the game off with a classy goal to put us in front. Dusty continues his good start to the season with another consistent game knocking up possessions and clearances at will. Jimmy was moved around the ground a bit, and was always in the game especially proving very dangerous up forward with 2 goals. Lenny again was tireless in the ruck and on many occasions set our mosquito fleet off with first use of the ball, while at times roving his own ruck work. Tom L is improving every week and has a happy knack of finding the ball, but most importantly tackles with purpose. Daniel is another player that has had a very good start to year and is relishing his role in the backline.

As discussed with the team we have team rules as so we have something to concentrate on especially when the game gets close.

See you at training:  
Jason

**GOALS:** Ryder Collins 2, Jackson Styling 1, Jack Hogan 1, Matthew Sibley 1, Ozzie Armstrong 1  
**BEST:** Finn Sibley, Ozzie Armstrong, Barnaby Slocombe, Kai Stynes, Reece Cameron, Jack Hogan

#### WORD FROM THE COACH:

This week we travelled to Crib Point for the game against the home side who had started the season in good form. This game was going to be a good gauge of where we are in the pecking order.

As we have in the previous two weeks we started with big Zach Oakley in the ruck, Zach was getting the hitouts but they were getting sharked by the Crib Point on ballers who realised his potential. Fortunately we had placed Ollie in the back line and he propelled their early ventures forward and Trav Barden picked up countless possessions. In the last part of the quarter we started working as a team and after repeated forward entries Ryder roved a pack and snapped a smart goal. Crib Point to their credit kept us honest not allowing our run on game to get going.

The second quarter started with our on ballers struggling to break away as cribby matched us tackle for tackle as both teams swammed the packs. Each side had their chances with neither putting a goal on the board despite some great passages of play. Jake Paas and Barny were active up forward as our mids banged the ball forward. Ozzie was clean with his hands and the two Kais were at the bottom of packs as we clawed ourselves forward. At half time we were a goal up with the game even with no-one giving an inch.

I don't know what Dom put in the oranges but we came out and blew the game apart in the third with Finn and Reece raining the forward line with footballs. Five goals resulted with Ryder kicking his second followed by Matty, Ozzie, Hoges and Jacko, all the result of our mids giving us first use. Our kicking to position and smart use of handball had Cribby flat footed as we showed we are going to be a force to reckon with in 2019. Every player put their hand up when it was their turn as we totally dominated the quarter.

The last saw us play solid footy as Crib Point tried to get back in the game but with Ollie Lynas and James holding fat we repelled their best efforts. In the end we kept them to 1 goal for the game which was a great defensive effort. Our teamwork is getting better every week and with the challenge of the undeated Mount Martha next Sunday we will need to step it up a notch again.

### WORD FROM THE COACH:

Another great effort from the boys AGAIN!

Trailing at quarter time, we gathered the boys in at the break and just spoke about a few key points we needed to improve on. Well they sure did that piling on 5 goals in the second and another 7 goals in the third. Unfortunately we kicked 1 goal 12 points in the last quarter, lucky for Tyabb the score could of been a total blowout.

### SPECIAL MENTIONS

- Brodie Moss - Continues to grow and played awesome in the ruck.
- Henry Hayes - Great game in your 50th
- Jesse Mills - His work of the ball and around packs.
- Shane Fitzsimons - Another solid game winning one on ones.

### WORD FROM THE COACH:

Happy Mothers Day

We welcomed Somerville to our new digs with an 8.30 start and the lights on. First quarter as predicted with a very physical 20 mins and high congestion. 11 points up at the first break.

Second quarter we dominated them with some solid run and carry and managed to get the ball forward to Paddy who was on fire marking everything and he kicked 4 for the term. 41 points up at the main break.

The second half Somerville seemed to be frustrated that we were dominating them and they tried to go full physical on us, but our boys are tigers who stick together and play for each other so we responded accordingly, we hooked in and played some footy!!

Kept Somerville goal less and ran out with a 90 point win.

Most pleasing today was the way we responded when challenged, the score board really didn't reflect the way the game was played.

Next week we have the unique opportunity to play under the lights on a Friday night at Pearcedale then we face Rye and Mt Martha. A big few weeks coming up for our boys !!

Get to training boys and let's build it together.

Thanks to all the parent helpers who fill each role and make our team and club run smoothly.

- Lochie & Jake kicking a couple of great goals each.

### WORD FROM THE COACH:

We were back at home after the bye and ready to redeem ourselves after a poor showing round 1, up against Red Hill/ Sorrento looking to play some good footy.

It was a real scrappy affair as they put a lot of numbers around the contest which we didn't use the ball well enough to open them up to our advantage we used the ball well at stages but over used the ball with too much handballing around the ground, the forward entries were good but we didn't capitalise on the scoreboard, we will take the win but will need to improve if we want to mix it with the big boys, still some positives regardless but let's take it up another gear against Hastings this week.

Thanks always to all the helpers on the weekend,

Happy Mother's Day again to all our wonderful Mums

### WORD FROM THE COACH:

Football it always challenges you!!! This week the boys were up against Hastings, who we had played in a preseason game and had won comfortably. The challenge this week for the boys was to bring the intensity and mindset of the first two weeks, as there had been signs, at training, during the week that this may not happen.

Fair to say Hastings jumped out of the blokes and kicked the first two goals, to the boys credit they responded and had the next 9 scoring shots to kick 4.5 at quarter time. The next two quarters can be summed up by "bad kicking is bad footy", 5 goals 8, and plenty of inside forward fifty entries. To Hastings credit, they were not going away and kept cracking in and in the final quarter got on top in general play. This was helped due to some ill-discipline, players not adhering to team rules and not manning up when Hastings won the footy- the controllables we spoke about pre game.

The positive was the win and hopefully that the team learnt a lesson about the challenges of football.

This week another challenge in the form of Sommerville, who will be up for the contest, and played off in last year preliminary final.

Plus as always thanks to all the helpers at training and on match day.

Cheers Collo

Although we went down today to a quality opposition it was a very solid 4 quarters of football by the team. We dominated and convincingly won the last quarter which was a brilliant way for us to finish off the game.

Some good form is building amongst the group and we head into next week with a showdown against Sorrento full of confidence.
