PRESIDENTS REPORT

Hi Everyone,

Another great week of football in Round 4 with some wonderful results on the board. Round 5 sees us host Friday Night games for the first time in 2019 - an exciting milestone in the history of the club with two ovals fully lit and capable of holding night Football.

Once again, we have some functions rapidly approaching - please keep an eye out around the club for information, as well as Team App and your individual chat groups, as we are very keen to make our social functions a success this season.

1st of June will see a combined day with the Senior Club to raise funds and awareness for MND. One of our sides will be playing a curtain-raiser, followed by two games of Senior football. Over the course of the day, there will be a function with Guest Speakers, as well as food, drinks and prizes later in the night. We also have our mid-season ball coming up with a new venue for 2019. Details and dates will be released in the near future.

Round 5 coincides this year with National Volunteers Week - and it gives us an opportunity to stop and thank all of the people that give up their time and in many cases money to make our amazing club function the way it does.

Week-in week-out there is somewhere in the vicinity of 250 volunteers within our club that make game-days possible. From Committee to coaches, boundary umpires to parent helpers in the canteen, votes, water, lollies, oranges, Tiger Tales, and so on - each and every person who puts time into this club is valuable and we could not provide the facilities we do for our players if it weren't for your efforts. On behalf of our players and the SMJFC I want to thank all of you.

Nation Wide, the AFL claim to have almost 250,000 volunteers assisting with the development of 1.6 million participants in junior football and Auskick, a number that is sure to increase in the future.

Good luck to everyone this weekend - enjoy your games and I look forward to seeing you around the club.

THANK YOU TO OUR SPONSORS

MPJFL PLAYERS CODE OF CONDUCT

1. Abide by the rules of the game and rules set down by your coach, club and league.
2. Never argue with an official or umpire.

6. Treat all players, as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player. Your involvement to play is for fun and enjoyment and that winning is only a part.
7. Co-operate with your coach and teammates and respect the ability of your opponent. Without them there would be no game.

WORD FROM THE COACH:

Another away game this week. This time we were in Somerville playing Sorrento. All of the boys are looking forward to having their first home game in round five as we have started the season with a long stretch of away games.

Another great effort by everyone against an experienced team. Every week our boys are getting better and learning how to play the game. Marks are now being taken and kicks are starting to hit their targets regularly. I was really impressed with the chasing and pressure that was put on by the whole team when the opposition had the ball.

Coben was our captain today and he was busy all game, inspiring his teammates by getting stuck in the whole time.

Jethro played a blinder in the second half, this resulted in him being awarded the Opposition Game Day Award by Rosebud.

Matthew played his best game yet. He was awesome at pressuring his opponent and took a few good marks as well.

Alistair also played his best game yet, getting involved and getting his first kick – way to go Al.

SORRENTO WHITE VS SOUTH MORNINGTON BLACK

COACHES AWARD: Evan
CAPTAINS: Sam, Chase
GOALS: Evan (2), Rafa
AWARDS: Pizza Award: Hal
Rafa, Dusty, Kingy, Riley

HIGHLIGHTS:

- Holding our positions.
- Running the ball with linking play
- 2nd, 3rd and 4th efforts
- Every player getting their hands on the pill!

WORD FROM THE COACH:

The Portsea crowd could not handle another influx of excited South Mornington supporters so we took on the other Sorrento team at Fruit growers reserve in Somerville. The supporters again brought their A game with encouragement that you could possibly still hear in Sorrento!

The first half was an arm wrestle and both teams got some quality time in front of goals, but neither was able to turn it into a big score. Our chargers really took the game on with Gus, Sam and Kobe all getting in and under the packs to extract the ball. Rafa hunted the ball with Kingy, Lewis, Harry and Ollie all following his lead. The game was open and the ball flowed freely when we looked for our team mates.

The second half was "jump massive". The young tigers held their positions, they not only get praise from the coaches and supporters they maintain the structure of our team and are rewarded with clean ball use, like Dusty, Riley, Whirlwind and Liam M. Footy is a game of possession and with Sorrento hitting some targets we needed effort and poise, it was huge to see Hal, Kade and our newest recruit Milana put in the 2nd, 3rd and more efforts to keep the ball in our forward half. Rafa knocked one through the big sticks and Sorrento shot a few quick replies. The standard of footy rose in line with the supporters' heart rates and Even stood tall kicking through 2 big goals to finish off the match.

If I had the cash I would buy a holiday house in Sorrento (not Somerville) for all the helpers, alas I can only give thanks to Emma, Guy, Tessa, Luke and Emilio for the duties today.

Remember to get in quick as I have already booked half the hairdressers in Mornington for this Friday night, lets clean the kit, polish the shoes, slick the hair and be ready to bring the excitement to Citation Oval!

WORD FROM THE COACHES:

AND THAT MAKES 3....

Could the weather have been any better for footy today? With a warm morning greeting us at Balnarring's home ground, our little Tigers fought out another great win to make it three in row!!

Lincoln was our Captain today and did a terrific job, he went down in the second half with a bit of a knock to the knee, but apparently is up and about and ready for next week's clash. Jack was tremendous today, having a real good crack at being first to the ball and setting up plays for his team mates. Ethan also was strong and got his hands to the ball on many occasions. Hayden was solid around the packs and made sure he didn't let the Balnarring boys get in his way when he wanted the footy. Thomas has improved immensely and his kicking and ability to get the footy in his hand is improving each week. The Juggernaut snagged 2 goals in a quarter and again asserted his dominance on the game. Baylin received the coaches award today and was well deserved- he always puts in 100% at training, and was instrumental in the win today- taking great overhead marks, kicking goals and never backs off from a contest. Well done Bay!

The boys are going from strength to strength- could we possibly get 4 in a row???

GOALS: Lenny 1, Casper 1, Jake 1 , Will 1

WORD FROM THE COACH:

Was a wicked day for footy as weather was perfect!

We started the day with Brody celebrating his 50th game and leading the boys through the banner. With Casper our captain for the day winning the coin toss we were hoping for our normal flying start. That wasn't to be unfortunately, with a tough hit out all day. We managed most of the time to be first to the footy but Pearcedale / Baxter came to the play and never took their feet off the gas. Both sides fought hard for the footy but we managed to get the first score on the board by legend Lenny Smith.

The boys had to work hard to stay in front of our opponents but managed to do so with our goal kicking assassins for the day in Will, Jake and Casper each kicking the remaining 3 goals. The score did get down, and we were up by only 1 point at 3 qtr time.

With Josh back at the helm next week hopefully we can keep the boys fired up and keep our great little team spirit going, working hard as a group.

Go Tiges!!

AWARDS: Lenny (medal), Zac, T Hosey, Jacob, Cooper, Jack, Jai
GOALS: Will 3, Javi 3, Lenny

WORD FROM THE COACH:

WELL DONE TO ZAC & LOGAN on 50 GAMES!

What a day for footy! You couldn't ask for better conditions and playing our neighbours Mt Martha. The boys were switched on from the beginning and kicked 3 to 0 in the 1st quarter. What this did was set the tone for the day.

Lenny gave first use to our on ballers in the middle winning 90% of centre bounces. Not only was Lenny winning the ruck work on quite a few occasions he also roved his own work and created many forward attacks for the team. Zac was ferocious in his pursuit of the ball, he was very clean below his feet and used his pace. Zac broke the lines on numerous occasions off half back but when thrown into the middle was working with Lenny, Daisy and Nate and dominating the centre clearances. Hosey fought hard up forward and really worked to stay in front. Hosey has been providing a target for us all season and is really starting to come into a little bit of form. Jacob was lightning down the wing, they just couldn't catch him. When Jacob has his confidence up and is clean with his hands he really adds another dimension to our play. Cooper as always was keen to attack and play in front of his man, which is important when playing at full back. Cooper along with Jack really provided a lot of rebound and run off half back. They both ran to meet the ball and backed themselves to win it and they did setting up play and creating space off the half back line. Jai is also creating some solid partnerships in defence with his fellow defenders, some strong tackles from Jai but the highlights being some top shelf overhead marks. Logan in his 50th game showed that he is maturing and didn't panic when he had the ball. He kept his eye on the ball but also defending with everything and keeping a close eye on.

At training this week, we will put some work into goal kicking and picking up the ball.

See you at training:

WORD FROM THE COACH:

This week we played the other undefeated team Mt Martha who had been scoring freely in their previous games. With Trav out we were one down in the engine room which is an opportunity for someone to stand up.

At the start of the first our onballers were on top and keeping their eye on the ball and body on the line. Our forwards were getting a go supply though the Mt Martha defence held us up and the game was being played between the half forward lines as the two teams fought for midfield supremacy. Against the breeze we stayed on top and worked our way forward were Jordy worked back hard to take a towering mark in the goal square to open our account. Our hand ball at times was a bit overdone but a goal up at quarter time was a good reward for effort.

With the wind in the second quarter and a midfield stacked with talent we pushed the ball forward where we made the most of constructive handball and leading into space. Jacko snagged three majors to give us a good lead and when Jack Hogan snapped one over his shoulder the crowd were full song. Once again Zach and Finns dominated in the ruck and Percy made the most of his freedom on the wing. A late goal to Mt Martha saw them go into the half time break four goals down

With Mick stacking the back line we were ready for a Mt Martha onslaught with the wind and that's what we got. With Matty, James and Ryder holding down the fort we fought hard to keep the ball out of scoring range. A couple of big marks to their key forwards resulted in goals but when Reece kicked a great rovers goal we stopped their forward momentum. Again it was our hardnuts in Jarra, Kai and Ollie Lynas who kept sweeping the ball forward that saw us finish the quarter full of running. With a couple of big boys in our forward half we kicked the only three goals of the quarter with two to Finn and one to Ryder as we finished the game off full of running. Today our fitness really came to the fore as we finished all over a worthy opponent. Our willingness to run to space and create options shows our team first attitude and I was very proud of the team's four quarter game.

This Friday we have our first night game at Citation against Balnarring, let's finish the first round off with a solid team effort.

WORD FROM THE COACH:

Another great game from the boys in tough slippery conditions, being an 8:00am game. Considering the conditions it was a top performance all round. With alot of players playing in different positions and getting there opportunity, they certainly embraced it!! Still kicking too many points, something we have to work on, and also picking the ball up off the ground and being prepared too cop a tackle... so we need to work on that.

SPECIAL MENTIONS

- LUKEY Fantastic from the very start, putting his body on the line and winning the ball.
- JESSE Once again showing that your work off the ball is just as important in the packs.
- KAI 1st, 2nd, 3rd, efforts, consistently providing opportunity and kicking 3 goals.
- HENRY Bagging 6 big ones, great game!
- JACOB Tough in the contest, HE IS BACK!!!!
- HARRISON Loves these wet slippery conditions it's his bread and butter and still executing great skill.
- RYAN Continues to grow learning more and more with each game.
- WILL Very solid season so far, dominating the ruck and contested possession.

To all that were able to make it to the pizza night, it was a great night and I'm sure the kids had fun.. even though James Grover smashed a whole pizza himself and we nearly run short..can someone please feed that man!!!!

Keep up the good work boys! Ling way to go, we have some fine tuning to do, but playing good unselfish football!!!

WORD FROM THE COACH:

Friday Night Lights

We headed out to Pearcedale to kick the round off under lights. Expectation was for cold conditions on a still clear night with dew to set in late!! It Delivered!! The thick fog was the bonus!! Welcome to Pearcedale!!

We won the toss and kicked to the right of screen, piled on seven early ones and had control of the game from a score perspective early, tonight was not about that though. We used the opportunity to play our boys in different positions and get a bit of the footy in the thick of the action. We simplified our game plan and focused on a couple of key areas that we need to work on as we move further into the season.

The game had moments of tough hard football where it went both ways but in the end we were able to kick goals with regularity with an even spread of goal kickers which was pleasing.

30 scoring shots to 4 told the tale.

Our focus very quickly moves to next week as we face Rye at home. A big strong side that will trouble us if we are not switched on.

Get to training boys for two solid sessions and we can all improve together. The next two weeks will shape our season.

Well done tonight , enjoy the weekend off and thanks to all the parent helpers

WORD FROM THE COACH:

We headed to Hastings on Sunday to kick off the new season on the big oval, unfortunately Hastings only had 16 players so we had an extended bench so appreciate the boys being understanding as we rotated regularly, we had a slow start as Hastings came to play we dominated possession as we did last week but didn't hit the scoreboard like we deserved but we will when we get it right, a scrappy first half I pleaded for the boys to show some passion as we hit the 3rd quarter with some brilliant team work, backline dominated as did the midfield, the forwards looked dangerous as we rattled off 5 goals it could have been more but we just missed some easy shots.

We are slowly working our way into the season and with key players coming back we are looking to ramp up our work rate and intensity as the signs are there we just need to do it for 4 quarters.

Thanks to all the helpers again, great job.

WORD FROM THE COACH:

Up against Somerville this week was going to be a test to see how far this group had improved, as Somerville played off in last year's preliminary final and have quality players. The start of the game was the way it played out over four quarters, a real arm wrestle, with the margin no more than two goals all game.

It was a tight contest all over the ground, and the injury to Kyle half way through the second quarter hurt our forward structure, but I was pleased with the ball movement from the whole team, and being prepared to not just kick long into our forward line but to lower their eyes to spot up the short options.

Finally, I was really pleased with the teams attitude, character and resolve and that everyone can contribute with effort.

SPECIAL MENTIONS:

- Ronan's contested marking & ruck work
- Bassie's contests late in the game.
- Tarj's ongoing improvement and best game.
- Rex's run and attack on the ball

This week to play under lights for the first time at home in a clash for top spot against Pearcedale-Baxter, what a great opportunity for all the boys to enjoy and savour.

Another huge effort again this week from our u17's side. Once again our boys played 4 quarters of fearless football with only 17 players as injuries continue to take their toll on our team. We are working hard on the track but it has been very difficult to execute the footy we know we are capable of playing.

We look forward to each challenge every week and will start to gain some momentum in knowledge that we start to see the return of some fresh legs back into the side. Keep working hard guys - our work ethic and drive as a team is something not a lot of sides boast - and the results will start to come as we get some rotations back.

THEME SONG

Oh we're from tigerland
A fighting fury we're from tigerland
In any weather you will see us with a grin
Risking head and skin
If we're behind
We'll never mind
We'll fight and fight and win
Oh where from tigerland
We never weaken til the final siren goes
Like the tigers of old
We're strong and we're bold
Oh we're from tiger
Yellow and black
Oh we're from tigerland
