## PRESIDENTS REPORT

Well - footy season is in full swing and now we are getting some winter weather to go along with it!!

Once again we had a great round of football at Citation last week, with some close results and a very successful trio of games for Friday Night Football. The club was in full swing with games under lights and all of our sides were very competitive and played some quality football.

On the back of our recognition for all of our club helpers during Volunteer Week last round, I wanted to take a moment to mention our new Auskick Clinic running on Saturday morning at South Mornington. In the off-season, the SMJFC Committee made the decision to bring Auskick back to our club after an absence of several years. We did this for many reasons, but most notably to try and strengthen our numbers in the lower age groups of girls football.

For a start-up clinic to be running the sort of numbers we are already is extremely encouraging and our Auskick Co-Ordinators Skye, Jo and Em are doing a sensational job. The feedback from parents and players alike is very positive and we are certainly on the right track with our next generation of players. If you have time or find yourself in the area, show your support by calling past to have a Coffee and Bacon and Egg Roll, and watch our next wave of u9 stars at South run around. For any of our SMJFC players above u13's, the Auskick coaches are always looking for volunteers to help run drills and teach the kids the basics of football - it would be wonderful to see some volunteers down to help them out.

Round 6 sees a full round of away games for our club on the back of our u9 - 11 skills clinic Friday night. Our u15's have also been asked to participate in the South Mornington Senior's major fundraiser for MND on Saturday, by playing the curtain raiser to their senior games.

Finally, with the weather turning this week, I will take this opportunity to remind people about the new club rooms and treatment of them. As the signs around the room indicate, in order to preserve the flooring we are asking players to remove football boots prior to entry to the social room in the club. Please remind your kids to be diligent with this, especially as the mud around the reserve becomes more noticeable.

Good luck to everyone this weekend - see you at home in round 7.

## PLAYERS CODE OF CONDUCT

### MPJFL PLAYERS CODE OF CONDUCT

1. Abide by the rules of the game and rules set down by your coach, club and league.
2. Never argue with an official or umpire.
3. Control your temper. Verbal or physical abuse of officials, umpires, spectators or other players, deliberately distracting or provoking an opponent is not acceptable or permitted.
4. Work equally hard for yourself and your team. Your team's performance will benefit, so will you.
5. Be a good sport. Applaud all good players whether they be by your team, opponent or the other team. Be proud to walk off the ground after each game knowing that you have given your best effort and never involve yourself in an argument with opposing players, umpires or officials.
6. Treat all players, as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player. Your involvement to play is for fun and enjoyment and that winning is only a part.
7. Co-operate with your coach and teammates and respect the ability of your opponent. Without them there would be no game.
8. Play for the 'fun of it' and not just to please parents and coaches.
9. Avoid use of derogatory language based on gender or race.
10. Adhere to the MPJFL Smoke Free Policy at all times.

### INSURANCE AND CLAIMS

SMJFC has insurance with JLT Sports Insurance [www.jltsport.com.au](http://www.jltsport.com.au)

### Parents

1. It is preferable that parents and guardians are present on Game Day
2. If you are unable to be present you must inform the Team Manager that day of your contact number and be contactable at all times.

## PARENTS CODE OF CONDUCT

### MPJFL PARENTS AND SPECTATORS OF JUNIOR FOOTBALL CODE OF CONDUCT

1. Encourage children to participate if they are interested. However, if a child is not willing, do not force them.
2. Focus upon the child's effort and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing emphasis on winning.
3. Teach your child that honest effort is as important as victory so that the result of the game is accepted without undue disappointment.
4. Encourage your child to always play by the rules.
5. Never ridicule or yell at your child for making a mistake or losing a competition.
6. Remember your child should be involved in football for their enjoyment, not yours.
7. Remember your child learns best from example. Applaud good play by both your team and by members of the opposing team.
8. If you disagree with an official or umpire raise the issue through the appropriate channels rather than questioning the official's judgement and honesty in public.
9. Remember most officials give their time and effort for your child's involvement.
10. Support all efforts to remove verbal and physical abuse from junior sporting activities.
11. Recognise the value and importance of volunteer coaches. They give their time to provide recreational activities for your child and deserve your support.
12. Support your club officials in maintaining the highest standard of behavior both on and off the field for the betterment of the league and your family. Offer assistance to the team that your child is playing in so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.
13. Avoid use of derogatory language based on gender or race.
14. Adhere to the MPJFL Smoke Free Policy at all times.

**Smoking BY-LAW 2** Smoking will be banned within 10 metres of an organised outdoor underage sporting event including; breaks or intervals in play during the event or training session

**Alcohol BY-LAW 3** No Alcohol is permitted at any MPJFL Event without the sanctioning of the League Executive.

**AWARDS:** Coaches Award: Xavier  
Club B&F Canteen Award: Isaac  
Pizza Voucher: Ayce  
Chocolate: Casey  
Footy Cards: Hudson

**GOALS:** Lawson & Jethro

### HIGHLIGHTS:

- First multiple goal game of the year
- Great defensive effort to limit the oppositions scoring
- Players playing in their positions and not just following the ball

### WORD FROM THE COACH:

It was our first home game of the year and the boys really stepped it up in front of the home crowd. It was also the first time we had multiple goal kickers for a game, so it gave everyone something to get excited about.

Both goals were real team efforts that came about through pressuring the opposition and supporting teammates. Lawson showed great composure to get the ball through the big sticks in the second quarter and Isaac displayed amazing teamwork to selflessly give the ball off to Jethro so he could unleash a monster kick to get our second in the fourth quarter.

The game was a real contest with some end to end action throughout. Hudson, Matthew and our first gamer Logan were working hard and getting dirty with some tackles and getting the ball on the ground. Captain for the day, Ayce, Coben, Jack, Nathan and Jagger were all getting plenty of it. It was great to see the effort put in by whole team. Great work I can see a lot of improvement already this season.

**AWARDS:** Domino's Pizza Award: Kobe, Ollie, Archer, Milana

### HIGHLIGHTS:

- Friday Night under lights
- Gang Tackles
- Held our positions
- Being first to the ball

### WORD FROM THE COACH: - BRING THE RAZZLE DAZZLE:

The lights shone brightly as the superstars of Friday night footy arrived at Citation oval. The ground was in great nick, the new club rooms looked amazing and the players looked sharp and ready for our first home game for the season.

Wow wow wee was this a cracking game from our young tigers. The team focus was to hold our positions and get to the ball first. From the first bounce and great ruck work from Archer and Dusty the team did exactly that. By doing these basic things well our team was able to monster the possession count and keep open space so we could have multiple shots on goal with 3 goals in the first half. The ball use was great but the tackling and hunger for the ball was fit for the MCG with multiple gang tackles (notable mentions to Liam P and Milana for laying a few of these) and brilliant efforts focused on the ball across the whole ground. Cohen showed how it's done snaffling some wonderful ground ball and all players kept moving the ball positively.

This dominance was built on the back of our wingers holding their positions, making a wall to rebound us back into attack. A huge well done to Jayden, Riley, Sam, Kingy, Kobe, Whirlwind Rafa and Griff. By holding their positions they not only kept us in attack but it allowed them to show their skills and talents!

As the game drew towards a close the weather was turning but our backs held tough. It is exceedingly hard to hold your position when the ball doesn't even look like getting to your end of the ground and these guys all deserve a medal.

With National Volunteer week on, a huge thanks to the helpers of the day Simon, Darren, Emm, Katie, Emma, Paula and Carly... it is an honour to help out alongside of the weekly soldiers of Andrew, Marcos, Wayno Kano duo and I only wish BT could have come down to roam behind the scenes to see the leader of our pack Skye delivering for all of us!

Choc Award: Charlie Alexander  
Footy Cards: Will Kidson

### WORD FROM THE COACHES:

Unfortunately we couldn't keep our winning streak going this week. Our Tigers came up against a Red Hot undefeated Mt. Martha and we got a real glimpse at what a top team plays like.

Patty Hose was a terrific Captain today and as usual was involved in just about every contest on the ground, he was like the flash running all over the park to get to the contests. The coaches award went to Romeo who also loves a challenge and getting involved in the 'physical stuff' even if means giving away a free or two at least he's putting in the effort! Xavier M has improved out of sight and it showed today when he was often first to the ball and also made the effort to pick it up! Will K had another terrific game finding plenty of the ball and was able to bust out of the packs with his strength and speed. Owen, Charlie and Austin have been improving each week and a continued effort at training with them has helped them a lot. Dane kicked our only goal for the game in a good first quarter, unfortunately after that we let them run away with the game- A few missed tackles let us down and not enough pressure on them when they had possession of the ball.

Again, training is VERY important and it is essential that the boys are at training every session. This week we will be working on tackling and chasing down the opposition with they have the ball...

**50 GAMES:** Taj / Sib / Jake / Belly / Kade M

### WORD FROM THE COACH:

After a tight encounter last week, we suspected this game v Mt Martha would be our toughest assignment yet. The boys crashed through the 2 banners with gusto & onto the hallowed turf. After Brodes played his fiftieth last week, we had 5 more young Tigers reaching the milestone today. A fantastic achievement for Taj, Sib, Jake, Belly & Kade Millar !!

True to form the game was high pressure & physical from the start. The Mounties struck first, but we counter-punched when Fish found Smiffy in the pocket. Smiffy produced a beautifully weighted kick to the hotspot where our power forward Jakey took a contested mark & converted. Belly led from full forward, took a grab in his 'belly' & booted our second. The second quarter was quite even & then Sib moved forward & gave us the lead with a quick snap.

We lost our way in the third Q, our intensity dropped & our decision making wavered allowing a couple of cheap junk time goals to the oppo which left us 15 points down at the final break. We stared at our greatest challenge this season which was exciting. The boys responded with a terrific final term & with goals to Jakey & when Jack D slotted a sensational boundary line set-shot we could smell victory. In the end we fell just short in a game that could have easily gone either way. I was super proud of the boys' efforts & we came away heads held high, & lessons learnt. A minor hiccup in our quest...

Special mentions to Liam (rock solid all day), Jack D & Will (both head down, bum up), Jess (marking well, 2nd efforts), Nutts (tough & disciplined), Taj & Wheels (tireless with their efforts), Darce & Crossy (improving every week). We have identified some areas that require attention – let's hit training with strong effort & the right attitude & the improvement will follow.

Thanks again to Dan Wray who took steering the ship whilst I was away. Also to the parent helpers who chip in every week – thanks again !

We're strong & we're bold.

**GOALS:** Will 6, Jimmy 2, Lenny, Jack, Logan, Javi, Jordy

### WORD FROM THE COACH:

WELL DONE Tom M 50 GAMES!

The wind was blowing which created pretty difficult conditions for our Rd 5 match against Dromana. We kicked with the wind in the first quarter and it was important to hit the score board early. The lads were fantastic hard at the ball kicked 4 goals 7 behinds to 1 point which really set the game up. Will was deadly up forward kicking goals but also setting a few up. Will was just as destructive when moved into the midfield for the 2nd half and continues to dominate in the centre square. Zac desire to get the football is 2nd to none. He sees the ball and goes for it, it is an innate skill which is crucial for our team both in the centre bounce and also when moved to half back. Jack's pace across half back provided heaps of rebound which made it very difficult for his opponents. When moved into the ruck in the 2nd half he continued to burst the pack open with his pace and clearing the lines with his long kicking. Jye was dominate up back in the first half, running of his opponent and setting up play across the half back and centre line. Jye was moved onto the ball in the 2nd half and is another of our players that has eyes for the ball, creating multiple centre clearances. Logan in the first half was apart of our strong team defence and played tight on his man. When moved forward he worked hard and provided an option up forward running into to an open goal and slamming it through. Jordy was in the game all day, he played on the wing, up forward and down back. When on the wing he was in a tight contest and used his long left foot to help set up inside 50s for our team. Jordy finished with a lovely goal to cap off a good all round performance. Jimmy was put into the centre, and he did the job very well. Working well with Lenny and the other on ballers help set up the game early with many centre clearances and also finished with 2 goals . Tom M was in everything in his 50th game and was in particular vey slick with his handballs, when moved onto the ball in the last quarter he worked hard and created space with his use of the ball.

A fantastic team performance, just want to thank Taj and Josh for filling in for us this week.

**BEST:** Ollie Brancatisano, Matt Rattue, Kai Stynes Eddie Cooper, Reece Cameron, Jack Hogan

### WORD FROM THE COACH:

A cold windy night greeted us at Citation as we rounded off the first round against Balnarring, with five players out we had no players on the bench. (only a few parents sheltering from the rain).

From the start it was a hard tough contest with players from both sides putting their head over the ball. Jack Hogan was showing his class with clean ball handling and soon had our first goal on board. Our forwards dominated and with goals to Reece, Finn and Matt to follow we went into the first break four goals up. Zach, Reece were getting it out of the middle and Kurtis and Kai Stynes holding up the back line. James Aitken was standing tall around the stoppages and dealt out a couple of solid sheppards to clear the way for the onballers.

The second half was a continuation of our onballers domination with James playing a solid tackling game across the mid field and Huges, Percy and Ollie picking up plenty of possession. Huges got his second goal and Jordy his first as we made the most of our forward thrusts. At half time we had a handy lead which we wanted to build on. The second half saw us move further in front as Finn took over in the middle and the whole team continued to back up their mates. Jordy kicked a miraculous goal from the boundary, Kurt kicked his first ever with Percy and Ollie putting more scoreboard misery on our opponents. Ten goals on a wet and windy night was a great achievement but it was our commitment to back each other which was what showed out.

Great job boys getting through the first round undefeated, now comes the challenge of keeping the standards high. To Tiges

### WORD FROM THE COACH:

!!!! The Monkey Is Finally Off Our Back!!!!

Being our biggest test so far playing last years premiers and our arch rivals. The boys I would of imagined may have been a touch nervous. That clearly showed in the first half, with us trailing by 14 points only managing to kick 1 goal. In tough conditions.

Our worst 2 quarters for the year, we had ni composure, rushed our kicks and blazed away! As coaches we put it down to a bit of nerves due to the occasion.

The half time speech was DIRECT! Let's go out and play like we have the previous 4 weeks, hit targets, maintain possession, wait for the right option, run, protect the ball carrier!!!! You can see how Jesse done exactly that in one of the team photos against big Jack. Great Pic!!!

Once again the boys listened, got their composure back and executed! Keeping Mount Martha to just 4 points in the second half, with ourselves kicking 8 goals 11 points! Our Fitness held up in the end and we ran over the top of them, and they resorted to more dirty football and cheap shots. Which we didnt get sucked into their culture, most important! We just played hard football!

Special mentions:

- GABE - Winning 1on1's, and providing great run off the wing, best game so far!
- RYAN - Also great with his run through the middle taking a few bounces and slotting one straight through the middle (it was pretty too watch).
- WILL - Once again running hard all day smashing contests( we just need to work on his ball drop)
- CHUGGGGGGAA - We gave him a tagging role and he destroyed his opponent!
- HARRISON - Great again, just keeps winning 2 on 1 contests.
- KAI - Tireless all day, contest after contest.
- HARVEY - Also given a role down back and played a blinder.
- H - Solid again.

OUR MIDFIELD - They copped it all day, bruises, bumps, head knocks, and dirty tactics and still managed to keep fighting winning the ball and providing options. GREAT EFFORT!!!!

AS TEDDY WHITTEN WOULD SAY, WE STUCK IT RIGHT UP'EM!!!!!!

JOB ISN'T DONE YET BOYS!!! LETS KEEP UP THE GOOD WORK AND GET EVEN BETTER!

**FIGHTING FURY MEDAL:** Riley for a 4 quarter solid performance and 2 quality goals on the run

### WORD FROM THE COACH:

We kicked off at Midday on what was far from a perfect day for footy. Howling breeze to one end and we decided to kick against it after winning the toss.

Rye had 7 scoring shots to our one in the first but poor kicking meant they only converted 3.

It was our turn with the wind in the 2nd and we kicked 6 goals to zero to take a 20 point lead in at half time.

It was a battle in the 3rd between the two sides and the margin stayed the same at the last break.

I asked the boys to really put the foot down in the last and to their credit they did kicking 7 goals 4 to zero to run out with a handy win.

The score was not a true reflection as Rye were not at full strength from the start and both sides picked up injuries during the game.

Our thoughts are with Marto who will now be missing for the year after an innocuous tackle has seen him with a serious knee injury. Not a great way to finish his 100th game! All the best with the recovery Champion!

Another big game this week with the GF Replay against Mounties. Be ready to go boys !!

Thanks to all the parents for braving the cold and wind on Sunday. The Footy Winter is finally here!!

### WORD FROM THE COACH:

Back at home and up against Somerville a team that always plays well against us and this game was no different a strong breeze towards the Creek end gave the team heading that way a 3-4 goal advantage and both teams took that advantage it was a real arm wrestle, both teams lost a couple of players to injuries as there was multiple lead changes, once again we couldn't quite put together a 4 quarter team performance, something we really need to learn that quickly as there are some tough games ahead.

The last quarter was a heart-breaker as we dominated play but couldn't quite get the chocolates, the last quarter saw some tactical decisions made that enabled Somerville to get over the line, but in the end the siren sounded and it was a one point loss, we regroup and come back stronger, proud of the boys with their effort.

**STH MORNINGTON 2.4.-16 LOST PEARCEDALE BAXTER 6.18-54**

**GOALS:** Ned, Ethan

**BEST:** Ollie, Zak, Blake, Flash, Kyan

### WORD FROM THE COACH:

Friday night for the first night game at our home ground, up against top of ladder Pearcedale, this was always going to be both a real test against a quality team and a great opportunity playing under lights. The first half was a real arm wrestle, with the boys up for the contest and I could not question the effort from all players. To be 6 points down at half time, showed the closeness of the contest in general play, although Pearcedale's ball use and shape/set up around the ball, showed why Pearcedale are a good side. I felt our pressure and willingness to compete was of a high standard, and a significant improvement on last year. When the heavens opened up at half time, the game become a real slog, and in the end Pearcedale's depth across the ground saw Pearcedale dominate in the last quarter.

Obviously cannot win every game, and out of this loss there is plenty to build on, and I think there is still plenty of improvement both collectively and individually, and if we can keep working on ball use and shape/structure around the ball, and take lessons from the game and match the effort from this week for four quarters in all games,

This improvement will occur.

Another big game this week against our local rival in Mt Martha

## MATCH REPORT

Another tough day at the office for our side today - more injuries saw our numbers drop to 13 on the field which meant we were always up against it. We just can't seem to take a trick at the moment when it comes to our playing list.

As always Mt Martha provided a solid contest and we just couldn't match them throughout the day.

Whilst we are battling on the field at the moment, the courage these guys are showing to go out and compete undermanned each week is a great example to our younger teams of what it means to push through the hard times as a group, which make the wins even more significant.

Keep working everyone and the benefits will start to show soon.

## THEME SONG

Oh we're from tigerland  
A fighting fury we're from tigerland  
In any weather you will see us with a grin  
Risking head and skin  
If we're behind  
We'll never mind  
We'll fight and fight and win  
Oh where from tigerland  
We never weaken til the final siren goes  
Like the tigers of old  
We're strong and we're bold  
Oh we're from tiger  
**Yellow and black**  
Oh we're from tigerland
