PRESIDENTS REPORT

Hello Parents and Players,

I hope we all enjoyed a hard-earned break last weekend - the feedback from a lot of parents has been that they certainly enjoyed a weekend off football and basketball commitments and the long weekend was enjoyed by many.

I would like to take this opportunity to congratulate all of our members who were involved last weekend and continue to be involved with the MPJFL Interleague program. We had almost 20 players selected to represent the MPJFL - and a further 3 coaches have been a key part of the success of this initiative.

So we head back into our footy this weekend with a full roster of home games at Citation Reserve on the back of some pretty ordinary weather this week. Please take note that the grounds, as well as the surrounding areas are now very damp and muddy. This is especially relevant to our parking situation, as last season we had a few cars getting stuck trying to negotiate their way into parking spots that didn't exist. We all understand that our new facility has brought with it a decreased number of parking spots and therefore we have to make the best of what we have available. This may mean cars will have to park on Helena St and walk down to the ground. Please do not park in front of any barricaded areas marked with Hi-Vis bollards and yellow chain - these areas are required to be open for Ambulance access at all times. Avoiding the tow-trucks on site to remove cars this season would be a welcome site!!

In round 8 we have a full day of away games across the whole club - which will be followed by game day awards back at the club for our inaugural club dinner. Please keep your eyes peeled for information from your teams social co-ordinator or team manager in the coming days. We are keen to make all social events and functions a success and continue our push for fundraising for the new digital scoreboards.

I would also like to mention a few new sponsors who have joined the SMJFC recently. You will notice signage around the venue and ongoing support at functions from Domino's Pizza in Mornington, as well as the game day awards they are providing for our players. Additionally, Active Real Estate have joined with the club to take over naming rights of the ground, and signage will be going up in the near future. Both organisations have made significant financial contributions to the club and their support is appreciated. Please take the opportunity to support their businesses if you have the chance.

Have a great day Sunday and enjoy your football at home this weekend.

PLAYERS CODE OF CONDUCT

MPJFL PLAYERS CODE OF CONDUCT

1. Abide by the rules of the game and rules set down by your coach, club and league.
2. Never argue with an official or umpire.
3. Control your temper. Verbal or physical abuse of officials, umpires, spectators or other players, deliberately distracting or provoking an opponent is not acceptable or permitted.
4. Work equally hard for yourself and your team. Your team's performance will benefit, so will you.
5. Be a good sport. Applaud all good players whether they be by your team, opponent or the other team. Be proud to walk off the ground after each game knowing that you have given your best effort and never involve yourself in an argument with opposing players, umpires or officials.
6. Treat all players, as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player. Your involvement to play is for fun and enjoyment and that winning is only a part.
7. Co-operate with your coach and teammates and respect the ability of your opponent. Without them there would be no game.
8. Play for the 'fun of it' and not just to please parents and coaches.
9. Avoid use of derogatory language based on gender or race.
10. Adhere to the MPJFL Smoke Free Policy at all times.

INSURANCE AND CLAIMS

SMJFC has insurance with JLT Sports Insurance www.jltsport.com.au

Parents

PARENTS CODE OF CONDUCT

MPJFL PARENTS AND SPECTATORS OF JUNIOR FOOTBALL CODE OF CONDUCT

1. Encourage children to participate if they are interested. However, if a child is not willing, do not force them.
2. Focus upon the child's effort and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to their ability by reducing emphasis on winning.
3. Teach your child that honest effort is as important as victory so that the result of the game is accepted without undue disappointment.
4. Encourage your child to always play by the rules.
5. Never ridicule or yell at your child for making a mistake or losing a competition.
6. Remember your child should be involved in football for their enjoyment, not yours.
7. Remember your child learns best from example. Applaud good play by both your team and by members of the opposing team.
8. If you disagree with an official or umpire raise the issue through the appropriate channels rather than questioning the official's judgement and honesty in public.
9. Remember most officials give their time and effort for your child's involvement.
10. Support all efforts to remove verbal and physical abuse from junior sporting activities.
11. Recognise the value and importance of volunteer coaches. They give their time to provide recreational activities for your child and deserve your support.
12. Support your club officials in maintaining the highest standard of behavior both on and off the field for the betterment of the league and your family. Offer assistance to the team that your child is playing in so that every opportunity is being provided for the very best supervision and support. Your involvement will give both yourself and your child far more satisfaction.
13. Avoid use of derogatory language based on gender or race.
14. Adhere to the MPJFL Smoke Free Policy at all times.

AWARDS: Coaches Award: Coben
Club B&F Canteen Award: Rory
Pizza Voucher: Logan
Footy Cards: Seb

GOALS: Jethro **BEHINDS:** Jethro, Ed, Issac

WORD FROM THE COACH:

Another great effort by the boys. We had to wait for a while for the game to start as our umpire didn't show up!! Eventually a replacement was found and we were able to get under way.

We had some really consistent performers this week. The boys got stuck in throughout the entire 4 quarters without a break as we did not have anyone on the bench. Ed, Coben, Jethro, Xavier, Rory and Logan were all standouts for constantly being involved in the game. Way to go guys, keep it up.

We struggled to score in the first half of the game but the boys never gave up and continued to pressure the opposition and managed to get the ball locked in to our forward 50 for long periods of time in the 3rd and 4th quarters. The pressure came from players like Matthew, Harper, Dylan, Jagger and Casey and there were kicks flying towards the goals from all angles. After a few behinds to Ed, Issac and Jethro we finally got one through the big sticks with Jethro snagging one in the 4th quarter. It goes to show that we may be inexperienced but we don't give up!!

Our Captain for the day was Alister and he really had a great game spending some time in the ruck and at full back. Seb also played a solid 4 quarter game getting plenty of touches. Unfortunately Issac was feeling a crook but he showed real toughness to keep running, chasing and tackling for the majority of the game, he even got himself a point..

Well done to all the boys, every week we are improving and I we are starting to come together as a team and understand each other more each game we play.

Also, a big thank you to Stu who has been my assistant coach for the start of the week. He has had to step down as he has a new job that will keep him from training. Thanks mate for all your help in getting the team up and running and good luck with the new job.

CAPTAINS: Kobe, Lewis
COACHES AWARD: Rafa
GOALS: Sam (2), Rafa
AWARDS: Domino's Pizza Award: Jayden
Awards: Kobe, Riley, Pizzey, Griff

HIGHLIGHTS:

- Team effort
- First to the ball
- Tackle Mania

WORD FROM THE COACH: AFL Scouts on the lookout:

After the glittering highs of last Friday night under lights the team had a leisurely 10am kick off at Pearcedale. Some of the Pearcedale boys looked like they might have driven to the ground and it was obvious that our players would need a solid contribution from all to be in the competition.

The first quarter we were under the pump early. They put on 2 goals and our lads and lass really had to dig deep. Pizzey and Riley worked hard and delivered some great taps out of the ruck and the whole team started to move the ball forward. If we were not first to the ball we tackled like we meant it with some exceptional efforts by Gus, Cohen, Dusty, Jayden and Milana to wrestle down some of the more sizable units.

Our game focus was to be first to the ball and man up when we don't have the ball, and didn't we nail these in the second quarter!! Harley tapped it down Sam's throat a few times and he pushed it forward. Kade and Dusty held great position on the wings and Harry, Jayden and Pizzey really rebounded it off our half back. We hunted the ball like we meant it and pushed the ball forward with Sam snagging 2 goals.

The U9 black hoard owned the second half. Everyone delivered some their best footy, Kingy, Archer, Liam M, Riley and Ollie all held a great team structure seizing the ball or laying tackles as we continued to rebound it into our forward half. With high pressure footy and repeat forward entries it was only a matter of time until Rafa squeezed one through the big sticks. Lewis and Kobe as captains led from the front, with Lewis getting his hands down and dirty. There was a bit of push and shove behind the play, but Kobe ignored that and focussed on the ball like a true leader.

Every spectator left the ground with a smile as our team showed the attitude and application it takes to be a champion team! The happy little helpers for the day Ali, Emma D, Tom, Paul and Jo also did the team proud.

SOUTH MORNINGTON V DROMANA @ DROMANA

CAPTAIN: Dane Hogarth
AWARDS: Coaches Award: Patrick
Trigger Award: Harry
Footy Cards Award: Hunter
'Best On Ground' Award: Will G

WORD FROM THE COACHES:

We ventured down to Dromana bright and early on Sunday morning- alarm clocks had to be set this morning. Dromana had a full team of players that were there to play and unfortunately we just got done in a close one by a goal.

Dane was our Captain today and always put in a top effort during the match, even getting involved in a bit of the rough stuff and almost snagging a couple of goals. The coach's award went to a much deserved Patrick who as he does every week, ran confidently with the ball and read the play extremely well. Harry is going from strength to strength and his continued effort and improvement is starting to show on the ground, he moved the ball well today with a few cleaver taps and follow ups with second efforts which are sooo important. Will G was a one man team in defence today. He often took on 4-5 players on his own putting a stop to many certain goals for Dromana. Hunter is another one whose footy is starting to improve, he is beginning to use his size well and is becoming a real strong back man stopping the opposition from moving the ball forward with his strong overhead marks and good use of his body.

See everyone at training on Thursday night, and remember to have a kick whenever you can in the back yard!

WORD FROM THE COACH:

Super TEAM performance this week against a winless Rosebud outfit. I thought the boys arrived with that steely look in their eyes pre-game, you know the look.... They were switched on, & performed accordingly. I'm sure they wanted to make a statement. We had winners all over the park.

Players who had been in white-hot form again produced. But even more pleasing were the boys who had been a bit down last week, coming out & having a real impact. The 3 main areas we talked about pre-game were – 1. Being clean below the knees 2. Play on at all costs 3. To tidy up our tackling. Big ticks in all 3 departments - the boys responded extremely well no doubt. 3 first Q goals to Jack D set the tone for the day. He was lethal on his left boot & super dangerous inside the 50m arc. Casper always finds the footy, tackled strongly & was rewarded with 2 goals.

Taj playing forward was dominant, presenting, marking & hitting the scoreboard. Super game. Luke is manic with his attack on the ball & man, & is in top form. Fish racked up the possies out the wing, running hard & tackling well. Smiffy & Will gave us first use out the middle, both with eyes only for the footy. Jack G started in the pivot & really got us going, a strong game. Hartz played in front, his straight line work really pleasing. Rock solid games from Brodes, Jakey, Sib & Case.

14 goals is satisfying. We train hard again this week & continue to build. Great to see the boys get around Casper after a tough week, always the best medicine to be playing footy with your mates. Our thoughts are with the Degan family.

Big thanks to all the usual suspects, everyone's doing their bit.

We're strong & we're bold.

AWARDS: Tom L (medal), Jacob, Noah, Hosey, Zac, Paddy
GOALS: Hosey 2, Pat 2, Tom L, Cooper, Jordy, Lenny, Will, Jacob, Javi

WORD FROM THE COACH:

Pearcedale came out breathing fire and put us on the back foot in the first quarter, and the tigers finding ourselves 5 points behind at the quarter time break. With a quick recalibration and reinforcing of our team rules the lads put the game beyond doubt kicking 5 goals to zero, taking control of the game from that point on.

Tom L played a true captains game and led from the front, he was in everything. He was taking intercept marks in defence, tackling like a machine then finished of his game with a magnificent goal in the last quarter. Jacob's confidence is growing each week, he created space and ran like the wind and no one could catch him setting up numerous attacks from the wing and finishing with a classy goal in the last quarter. Noah played a fair bit of the game up forward and was very solid contributor, when we moved Noah into the Ruck in the last quarter he won every tap out setting up many forward 50 entries. His decisive ruck work was the catalyst for another 5 goal quarter. Hosey was deadly in front of the sticks and kicked two telling goals in the 2nd quarter as a result of putting himself in front at the contest. When moved to the backline Hosey was again very creative firstly repelling opposition attacks while setting up play with smart use of the ball in the back half. Zac has had a fantastic month of football is a natural ball hunter. This combined with his pace and long kicking really opens up the game for his team mates. Across half back not much got past Zac as he marked everything that came his way. Pat provided a target up forward and took some classic over head marks but most importantly finishing of his work with two goals straight through the middle.

We are in a very good position going into the bye and starting to really understand each other's game,.

BEST: James Aiken, Ryder Collins, Jake Pass, Jimmy Woodlock, Eddie Cooper Ollie Lynas

WORD FROM THE COACH:

We headed up to Red Hill for our clash against Rosebud with 16 players and a determination to keep our unbeaten run intact.

With seven out with illness and injury it was going to take a massive effort to overcome an opposition with plenty on the bench.

Jack Hogan won the toss and kicked to the scoring end with the help of a stiff breeze. We knew we had to put a score on the board early to give ourselves a chance.

From the start Rosebud took it up to us and were running it out of our forward line with ease. We finally got on top through the middle and our on ballers Percy and Huges started to hit targets. Goals to Jacko Styling and Kai Stynes got us the start we were after but a late goal to Rosebud against the tide kept them close at quarter time. The second saw our backline, brilliantly lead by James Aitken and Roster Lynas repelled any thoughts Rosebud had of getting any use of the breeze. Josh Bell came on to help us out and he too stood up in defence. Late in the quarter we got things our way and Jimmy in his new role as a key forward took some good marks and got his reward with a team lifting goal from a tight angle.

The third quarter started with our ruckman Zach hitting the ball to our advantage and with Percy and Huges got the ball down to our forwards. In quick succession Kai Stynes got his second and Ryder his first before Jacko roved a pack and ran into an open goal to give us a four goal break. The guys were starting to show the signs of a hard running game and Rosebud were starting to run us off our legs. Rosebud kicked their second to give them a sniff leading in to three quarter time.

Opening the last Rosebud were full of running and keep the ball in their forward half kicking two goals to get them close. Ryder hurt his hand but wouldn't come off in a show of courage as our guys busted their guts to keep the games on our terms. A rare forward thrust resulted in Ryder getting his reward by dribbling the ball through to give us some breathing space and as the clocked ticked down our guys threw themselves at every contest to get us over the line by two goals.

A great team win full of courage, resilience and character and a credit to every player. We knew we were up against it, but kept playing to the end even when exhausted. We look forward to the bye weekend to give ourselves a break and time to heal the bruises. A big Thankyou to Josh Bell who stepped in when his club needed him, well played.

Great game from KYLE, not only kicking 3 himself but giving a couple off to his teammates with some quick handballs. RYAN also playing another another great game and kicking 3. RYDER, His best game so far across half forward, well done! WILL, fantastic in the ruck and around the ground! HARRISON, just loves wet weather football, awesome to watch. KAI, great in the midfield and bagging 4 goals and kicking 3 when moved to centre half forward in the second quarter.

WORD FROM THE COACH: "GRAND FINAL REPLAY"

We headed to Ferrero on what turned out to be a cracking morning for football. We started well and had the best of the Mounties throughout the majority of the first quarter. Some poor kicking and costly mistakes in front of goal meant we only took a 7 point lead into the first break.

Our second qtrs this year have been really good but today we dropped out guard and allowed Mounties a couple of easy ones back to back whilst only kicking one ourselves so the margin was two points at the main break.

1 goal 2 behinds to each of us in the third qtr saw the margin remain the same at 3 qtr time. I asked for a huge lift in the last to bring it home but unfortunately we dropped the concentration levels off and at the end of the day the Mounties wanted it more.

I don't often show disappointment in my reports but today I genuinely feel we let a great opportunity slide. When the heat was on we just weren't where we needed to be and didn't play the team football that is required at this level in a number of areas.

We will learn from this, we have to!!

We have a week off now and look towards Dromana in 2 weeks, another tough game and a side that have knocked us off consistently over the years.

Get to training boys, really work hard together and let's make today our 'moment' that changed our season and training habits!!

Boys had a real hot dip all game with some great passages of play and team football, Balnarring have some classy players who keep them close at times but we missed some easy goals and some ill disciplined acts game them a sniff (we can't afford those silly mistakes against good teams).

We ran away with the game late but a great result no matter, a week off then Rye, good luck to the division 1 boys from our team competing this weekend at Frankston, fantastic effort .

WORD FROM THE COACH:

Another challenge for the boys up against Mt Martha, who over the journey have been the superior side and with plenty of school mates amongst the two sides, which always makes for an different dynamic, and a bit of good natured banter. Going back to the start of last year an area that needed to improve was this groups basic skill level and credit to them all, their skills have improved, to the point I received numerous comments from onlookers on the skill and ball use of this team.

I also believe on plenty of levels this was the best win for this team ever, big statement I know, but it was not only the way the team played, it was also team first attitude and you could see the belief growing in the group, and the support for each other out in the ground and the ownership.

HIGHLIGHTS:

- Kyan & Ryan in defence
- Ronan's ruck work
- Brody, Mitch, James & Ethan in the midfield.
- Ned's five goals up forward & being a target all day
- Max's best game
- Ziggy's two late goals
- Patty's second & third efforts & goal
- Zak's tackling, and stopping role.

Next game against Dromana and another chance against a finalist from last year to demonstrate to other teams that South Mornington is the real deal and to keep working on that believe.

As always thanks to everyone that helps out, it would not happen without you.

THEME SONG

Oh we're from tigerland
A fighting fury we're from tigerland
In any weather you will see us with a grin
Risking head and skin
If we're behind
We'll never mind
We'll fight and fight and win
Oh where from tigerland
We never weaken til the final siren goes
Like the tigers of old
We're strong and we're bold
Oh we're from tiger
Yellow and black
Oh we're from tigerland
