ROUND 5 WRAP UP

What a huge week at the club!

Born & Bred Footy Clinic.

Wednesday night saw our biggest clinic ever with 194 kids registered from U8 through to U13. The oval was packed with energy and excitement as Josh Weddle from Hawthorn joined us to run the session, staying right until the end to sign every jumper, football and hat put in front of him – even some U17 boys couldn't resist jumping in for a photo and a signature!

A massive thank you to Red Energy and SEN for their support and donation towards the night. Special thanks to Jarrod Smith and Nicho Salvatore for pulling everything together and ensuring it ran smoothly. Thanks also to Willo for capturing the action on camera and to Jacko for some incredible drone shots that we'll share soon. Also to Harko for having the club looking great for the night and to our awesome BBQ volunteers. It was a night the kids (and parents!) will remember for a long time.

AROUND THE GROUND

This week is National Volunteer Week, and we want to take a moment to recognise and celebrate the amazing volunteers who make our club what it is.

To everyone who steps up on game day - whether you're coaching from the sidelines, managing teams, running water, cutting oranges, or lending a hand wherever needed - thank you. Your time, effort and energy help create an environment where our players can thrive and families can enjoy every part of the footy experience.

A special thank you also goes to our dedicated committee members. The work you do behind the scenes - often late at night or early in the morning - is the heart and soul of the club. Your countless hours don't go unnoticed.

We are incredibly lucky to have such a passionate and hardworking group of people involved. Thank you for making our club a place where community spirit shines every week.

TOYOTA GOOD FOR FOOTY

Team Managers have now handed out individual QR code Flyers so that players can begin to sell tickets to Family & Friends. Remember once you sell 5 to inform your Team Manager to have your name put down to go in the draw to win an AFL jumper of your choice!

SMJFC Current Top 5 Teams:
U13, U11 Yellow, U8 Tigers, U17, U10 Black

Our club is ranked #24 for amount raised, sitting in \$1620. Fantastic start Tigers, let's give the rest of the clubs a run for their money!

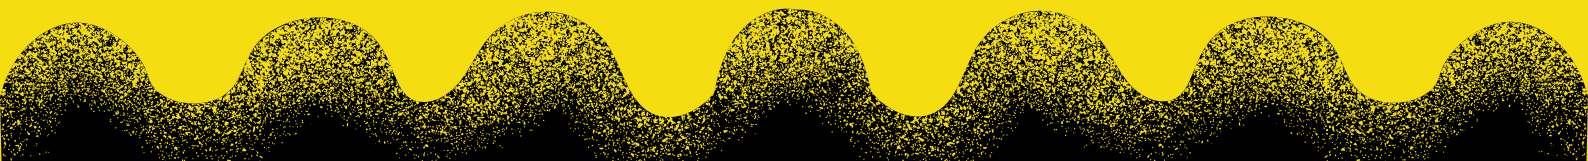

SPONSOR SPOTLIGHT

A big thank you to Liz from BayLife Lending, one of our amazing sponsors who is helping club families secure the best possible results when it comes to financing. Liz has also generously committed to donate additional funds to the club for any finance written over \$300,000, on top of her sponsorship.

Families will soon receive a flyer and an expression of interest form for a "Finance Health Check" night, where Liz will offer expert advice on how to make sure you're getting the best deal available. A great opportunity to support someone who supports the club.

MATCH DAY RESULTS

The weekend kicked off with a great Friday night of junior footy under lights. U8s, U10 Girls, and U10 Black set the tone with great enthusiasm and energy, showing how much they're enjoying their footy. The pavilion was buzzing with families hanging around after their games to watch the AFL on the big screen – a great community atmosphere.

On Sunday, our U8s were first on the park at 8:00am, playing with fantastic teamwork and spirit. U10 Tigers followed and continued to impress with their development and sportsmanship.

WINEY COW VOLUNTEERS OF THE WEEK

This week we say thank you to Zac Rodwell from our U11 Black team. Zac is part of the U11 Black water runner crew and for the 2nd year in a row is doing an exceptional job at keeping the team hydrated during their games.

Also, a huge kudos goes to Mark Goddard from the U2's. Mark does a great job as a regular goal umpire and is always willing to step into the role, even when his child isn't playing. LEGEND!
