AMAZING COMEDY NIGHT

A huge thank you to everyone who came along and supported our Comedy Night on Friday - It was great to see new and old families come together for a great night of laughs and community spirit. Events like this not only bring us together as a club, but also raise important funds that help cover the costs of running the club throughout the season. Your support means so much.

INTERLEAGUE

A huge congratulations to our 29 South Mornington JFC players who proudly represented the club at the Interleague Carnival over the long weekend. Making an interleague team is a fantastic achievement and a testament to each player's hard work, dedication, and talent. These players committed to extra training sessions and gave their all, both in preparation and across the carnival weekend. It was fantastic to see so many Tigers out on the field competing at such a high level and doing so well. You've all done yourselves, your families, and the club proud. This is something our whole SMJFC community should celebrate.

SPONSOR SPOTLIGHT

We're proud to highlight Bendigo Bank as one of our major supporters. Without their generosity and ongoing support, we wouldn't have many of the great facilities we enjoy today — including our digital scoreboards, which make match days even more enjoyable for players, families and supporters. Bendigo Bank isn't just a sponsor; they're a true community partner, always looking for ways to help our clubs grow and flourish. They'll be joining us at our Family Dinner and Awards this Sunday to share a bit more about their role in the community, what they do for our clubs, and how we can support them in return.

Thank you, Bendigo Bank — for all that you do for us and for being a big part of the Tiger family.

TEAM WORK - ON & OFF THE FIELD

It takes a huge team effort to get our kids out on the ground each & every week. From coaches & team managers to water runners, trainers, timekeepers & goal umpires - every role plays a part in making game day possible. We want to thank all those who have registered as volunteers and continue to show up and support their teams week after week. Your time, energy & commitment don't go unnoticed, and it means the world to the players and the club. Whether it's setting up the ground, cheering from the sidelines or helping manage the chaos behind the scenes, it all contributes to a positive and fun experience for the kids. At South Mornington, we pride ourselves on being one big team and that includes every player, parent and volunteer. Thank you for being part of it.

CONGRATULATIONS

Congratulations to our round 7 milestone players. A fantastic achievement and a reflection of your commitment, passion and love for the games.

WINEY COW VOLUNTEERS OF THE WEEK

A huge congratulations to our Winey Cow Volunteer of the Week - DOM MAZZA. Dom puts his hand up every second week to goal umpire for our U11 Black team and has been doing so since last season. It's dedicated volunteers like Dom who help make game day happen and ensure our kids get to play each week. Thanks for being a legend volunteer!
