ROUND 10 WRAP UP

As we head into a mid-season break, Round 10 gave us a final burst of everything that makes our club special — grit, generosity, and a whole lot of heart. With injuries and early holidays impacting teams, players and families rallied without hesitation, filling gaps and making sure no side took the field short. From early-morning game day drives across the Peninsula to spontaneous jersey swaps, we saw an incredible display of club-first culture.

Special thanks to our Wednesday night training teams, who gracefully adapted to oval closures in back-to-back weeks — no complaints, just support and flexibility. That sort of teamwork off the field is as valuable as anything on it.

MASCOT UPDATE

Our brand new South Mornington Tiger mascot is almost ready to make their official debut, but first, they need a name!

Keep an eye on your emails over the next week for a special survey link where you can vote on the final mascot name.

You might even spot the mascot making a sneaky appearance around the club over the next couple of weeks... leading up to their big introduction!

Get excited Tigers, our newest team member is almost here!

Boots Clean, Rooms Tidy – Club Culture Matters

New boot cleaners have been installed outside each changeroom, and the difference is already noticeable!

Please encourage all players to use them and help us keep our rooms clean — for the next team and for the volunteers who tidy up at the end of the day.

SPONSOR SPOTLIGHT

Our second year with the sponsor that stops us from ending #upshipcreek! Whether it's a flat tyre, flat battery or locked keys, call Melbourne Roadside Rescue! Keeping locals moving across the Peninsula since 2011 with fast, honest and affordable service seven days a week.

No memberships. No fuss. Just locals helping locals. Let's back the businesses that back our Tigers!

Presentation Day – Date Change Update

We wanted to let our members know that Presentation Day will be moving to a new date. Our committee is currently working behind the scenes to lock in the best possible option, and we appreciate your patience as we finalise the details. As soon as the new date is confirmed, we'll communicate it via TeamApp, so please keep an eye out for updates there. Thanks for your understanding — we can't wait to celebrate the season with you all!

WINEY COW VOLUNTEER OF THE WEEK

Every week, Bec Grice steps up as the all-important provider of lollies and oranges for the U10 Black team — a role the kids might argue is the most important job on game day! Her consistency and care make a real difference, and her commitment doesn't go unnoticed. Thanks, Bec, for keeping our little Tigers fuelled, smiling, and ready to go each week. You're a legend!
