FAREWELL TO OUR U17's

Round 13 marks the final game for our U17s in their SMJFC journey, with a bye in Round 14.

While results haven't always gone their way this season, they've shown real grit and many of their losses were heartbreakingly close. We couldn't be prouder of the way they've represented the club and we wish them nothing but success for the road ahead. Their last game kicks off at 11:20am *away* against Narre North Foxes — come down and cheer them home!

ROUND 12 RESULTS

U8s, U9s, U10 Girls & U10 Mixed

Big kudos to these teams who show up week in, week out with enthusiasm and heart. The energy they bring every Sunday is what makes SMJFC such a special place.

U10 Mixed – Lightning Premiership Incoming!

Round 14 is a milestone moment for these teams, stepping into their first competitive premiership at Red Hill. Best of luck to Ross, Jamie and Luke as they guide their squads through the exciting challenge ahead!

U11 Black

A dominant performance with a huge 109-0 win over Beleura. The boys were relentless and played with flair and focus across all four quarters.

U11 Yellow

Another commanding effort, defeating Red Hill 73-3. Their ball movement and teamwork were superb, with strong contributions across the field.

U12

A powerhouse win, taking down Dromana 107-1. Everything clicked — from clearances to forward pressure, this team was flying.

U12 Girls

Tough day against Rye/Sorrento Waves with a final score of 7-85, but these girls continue to show real spirit. The effort was there all day, and they'll bounce back stronger.

U13

Went down 15-46 to a top-three Somerville side. Worth noting they were right in the contest at halftime, and the final score doesn't quite reflect how tight the match felt early on.

U14

A solid 64-27 win over Karingal Red. They controlled the tempo, kept their shape, and showed maturity under pressure.

U16

Big win over Mornington Red, 81-38. The team's run and spread made life tough for the opposition, and their finishing in front of goal was top class.

U17

A tough loss to Pearcedale Baxter 31-98. The boys fought hard and showed resilience to the final siren — we're proud of every moment they've given to SMJFC.
