WEEK 2 FINALS – PRELIM

Finals Week 2 gave us just one game to focus on – but what a game it was. Our U11 Black boys took to the field with everything to play for, and while the scoreboard didn't fall our way, the spirit, effort, and unity they showed was everything we value at SMJFC.

This week's edition is a little shorter, but no less proud – and with four teams now preparing for Grand Finals, the excitement is building fast.

BEST OF LUCK

This week we send our best wishes to Jackson Ablett and Romeo Portelli, who will attend the Combined Competition Presentation Night on August 28.

Both boys had outstanding seasons, and we're proud to see them recognised at league level. Good luck, lads!

WEEK 2 FINALS RESULTS

Finals Elimination – Season Complete

The boys kicked the opening goal and set the tone early – they were up for the fight and stayed in it all day. Rosebud threw everything at us, but our Tigers never backed down. Every contest was hard-fought, every effort was for the team, and the boys gave absolutely everything in pursuit of a Grand Final spot. While it wasn't to be this time, the way they played – with heart, resilience, and respect – was something to be proud of. They were well and truly in the contest from start to finish, and every player can hold their head high.

A massive thank you to Ben, Riley, and Leanne, and to all the volunteers who supported this team throughout the season. The boys will be better for the journey, and the club is better for having them.

Congratulations on a fantastic season, U11 Black. You've done us proud.
