## Round 2 Wrap Up

Round 2 brought plenty of wet weather, with all of our teams away from home on a tough day for footy, but our players, coaches and families handled themselves extremely well right across the board. It was great to see our teams continue to represent South Mornington so strongly, showing effort, resilience and a really positive attitude in difficult conditions.

Off the field, there was just as much to celebrate. Our all club dinner was a huge success, with lots of families enjoying a night off cooking and the chance to catch up with other club families. It was great to see so many familiar faces there, along with plenty of new ones as well. A big thank you also to all of the families who have supported the canteen across the first two rounds. The club could not be happier with the way families are turning up and helping out when it is their turn. The new BBQ has also been a big hit and is already keeping the bacon and eggs rolling.

It was also fantastic to see our Auskick season get underway on 2 May, with 130 kids turning out for the first session of the year. That is a terrific number and a great sign for another big season ahead. This weekend, our Under 17.5s will also be helping out with a Mother's Day bacon and egg BBQ and supporting some of the activities, which is a great example of older players giving back around the club.

## Keep Your Eyes Peeled

Keep your eyes peeled for Roary. Our club mascot has not been spotted yet this season and we need all of our Tigers to be on the lookout. If any of the kids see Roary around the club or at the footy, make sure you let us know. We are hoping to track him down very soon.

## ZAMBRERO SUPPORTS FAMILY DINNER

A big thank you to Zambrero's for supporting our club dinner with their delicious burritos. The smooth delivery meant we were able to feed a lot of families quickly and easily, with no long wait in line. We really appreciate their support in helping make the night such a success.

## SPONSOR SPOTLIGHT

This week we are pleased to shine the spotlight on Coupers Lifestyle Properties. If you are looking at buying or selling property on the Peninsula, be sure to speak with Paul and the team. We are grateful for their support of South Mornington JFC and encourage our club families to support the businesses that support our club.

## Special Acknowledgement

A big thank you to everyone who helped make our family dinner such a great success. Special thanks to Kate for selling meal tickets, and to Jason and Jo in the canteen for helping get the food out smoothly on the night. A big shout out as well to Nicho, Nick and Karla for all of the preparation work behind the scenes to make the event happen. These nights do not come together without people pitching in, and we really appreciate the time and effort from everyone involved.

## CONGRATULATIONS

Just the one Milestone player this week;

Xavier Cathie - U16 - 100 Games

## WINEY COW VOLUNTEER OF THE WEEK

This week's Winey Cow Volunteer of the Week is Jared Couper, who bravely stepped up to run the boundary in the rain and wet weather. It was not the most glamorous job on a day like that, but Jared got in and helped out when needed, which is exactly what makes our club so strong. Thanks Jared for putting your hand up and helping the day run smoothly. It is very much appreciated.

## ROUND 2 RESULTS

U17.5 - A fantastic result for the U17.5s, who produced a big win over Balnarring. The group played strong, attacking footy and should take a lot of confidence out of that performance.

U16 - One of the closest games of the round for our U16s, who went down by just two points to Lyndhurst. A tough one to lose, but plenty to like in a performance that showed real fight and determination.

U15 - A really strong result for the U15s, who played some excellent footy in defeating Granbourne Blue. A great response from the team and a performance they should be proud of.

U14 - The U14s were in a close one all day and pushed Devon Meadows Black right to the end. It was a competitive effort in wet conditions, with plenty of positives to take from the contest.

U14 Girls - Our U14 Girls faced a tough opponent this week but kept working hard throughout the day. These games are all part of the journey, and the group will keep learning and improving together.

U13 - A dominant performance from the U13s, who took control of their game against Karingal Red. A great team effort and another really pleasing result.

U12 Yellow - Another strong showing from U12 Yellow, who put together a really good team performance against Mt Martha. A great result and another positive step forward for the group.

U12 Black - U12 Black came up against a strong Crib Point side and battled hard in difficult conditions. While the result did not go our way, there will still be plenty to take out of the game and build on.

U12 Girls - A terrific win for our U12 Girls, who continued their strong start to the season with a great performance against Beleura. The girls are working hard and it is showing on game day.

U11 Tigers - A big performance from U11 Tigers, who got on top early and played strong team footy right through the day. A terrific result and a great reward for effort.

U11 Black - A great result for U11 Black, who came away with a hard fought win over Sorrento. In a close contest, the team stayed composed and got the job done.

U8s, U9s, U10s and U10 Girls - While scores are not kept at this age, the effort, skill development and enthusiasm were there for all to see. In tough, wet conditions, our youngest Tigers did a fantastic job braving the weather, continuing to learn and having a real crack. It was great to see their teamwork, energy and willingness to keep improving, which is what these age groups are all about.
