Round 5 Wrap Up

Round 5 was a quieter day at home, with five great home games at Citation Reserve. A couple of teams had the bye, while the rest of our teams were out playing away games and representing the club really well across the weekend.

We now turn our attention to one of the biggest events on the club calendar, with our major fundraiser coming up this Friday night. A huge amount of work has gone into organising the night, and we want to say a massive thank you to the social committee for all of their time, planning and effort. These events are such an important part of the club, and we are really looking forward to a great night together. We hope everyone has their costumes ready.

Thank you also to all families for your patience with the fixture delays again last week. We know it can make planning a bit tricky, and we really appreciate everyone working with us through it. Hopefully things run a little smoother this week.

It has also been fantastic to see the continued support of the canteen and the incredible group of volunteers we have around the club. Week in, week out, people are stepping up to help, ensuring our kids have the best experience possible, and it does not go unnoticed.

From the Coaches Box

A common theme across a lot of teams at the moment is effort and contest. It has been great to see players continuing to have a go, support their teammates and stay in the game, even when things are not going their way. That's where real development happens.

Tiger Pride

Great to see so many people sporting the new scarves around the club. They've been a great addition and it really adds to the look and feel on game day. Scarves are available now through the canteen, along with another winter essential in club beanies. You can also grab one of the new SMJFC stubby holders, proudly featuring our fantastic group of club sponsors.

SPONSOR SPOTLIGHT

This week's sponsor highlight is ARA Building Services, proud jumper sponsor of our U10 Yellow team. ARA Building Services provides large facilities clients with three key building and construction services: commercial fit-out, remedial construction, and regular and emergency maintenance services.

We thank ARA Building Services for their support of South Mornington JFC and encourage our club community to support the businesses that support our club.

Special Shout out to Matt Currie from ARA who was team trainer for his team and filled in for another team! Awesome Matt, its this stuff that makes us the best club to be part of.

Grown Tigers Supporting Auskick Cubs

A special mention to the U14 boys who came down to Auskick on Saturday morning to help out. It is fantastic to see our older players giving their time to support the younger kids and help them feel part of the club.

That one club approach is exactly what we love to see at South Mornington. Well done boys, and thank you for helping make the morning a great one for our Auskickers.

CONGRATULATIONS

Milestone games are special and a chance to reflect on all the hard work that has gone into your career to date. Congrats to these players below on their milestone

WINEY COW VOLUNTEER OF THE WEEK

This week's Winey Cow Volunteer of the Week is Brad Healy.

Brad started the day by setting up the oval for the U9 Black team before 8am on Sunday, then backed it up by taking a shift in the canteen, before stepping in again as ground marshal for the U11 Black game.

That is a huge contribution across the day and exactly the sort of effort that keeps our club running. Thanks Brad for going above and beyond. Your support is greatly appreciated.
