Round 7 Wrap Up

Footy was back after the King's Birthday break, and it was great to see teams back out on the ground. The full season fixture has now been released, and while we recognise there are a few anomalies across different teams, we appreciate everyone's support in working through it. The feedback from the league is that the fixture is largely set, but the club will support where we can.

A mostly sunny day greeted us on Sunday, with five home games on the top oval and the rest of our teams out on the road. There were some great performances across the board, highlighted by our U17.5s knocking over top-placed Berwick in the Premier division, a fantastic result for the group.

150 games for one club at any level is a fantastic achievement, but to reach it across a junior career makes it even more special.

A huge congratulations to Isaac Flynn on playing his 150th game for SMJFC on the weekend. This reflects years of commitment, effort and love for the club, and it is something everyone at South Mornington should be very proud of. Well done Isaac.

Tiger Den Reminder

A reminder to all families to make the most of our Tiger Den, available through the club website. The Tiger Den features businesses who actively support our club, and we would love for it to be your first point of call when looking for services or goods.

Whether it's a small job or something bigger, supporting these businesses is a great way to give back to those who give so much to our club.

Club Awards dinner Update

Please note that the club dinner and awards night scheduled for June 28 will no longer go ahead.

Instead, we are working on something a little different for after the school holidays that we hope will get great support and give families a chance to come together in a more relaxed setting. At this stage, we are planning an all club retro training night followed by a pie night on Friday July 17. More details to come soon.

SPONSOR SPOTLIGHT

This week's sponsor spotlight is Traction IT, now in their third year of supporting our club.

Brett and the team have been great supporters of SMJFC, and we are very grateful for their continued backing. Their support helps us provide opportunities and experiences for our players each week, and we thank them for being part of the club.

Import Information for Budding Umpires

We are looking for support with umpiring in our U8 and U9 age groups, where games are currently played without league umpires.

We are looking to set up a group chat for existing umpires who may be available to help out at these games when time and location allow. The club will pay, so it is a great way to earn some extra pocket money.

We would also love to hear from any U12 players who are keen to get involved and start learning to umpire. It is a great opportunity to build skills and confidence, and they can complete the necessary modules while supporting our younger teams.

If your child is interested, please email smjfcpresident@gmail.com to get the ball rolling

CONGRATULATIONS

Noah Rodwell – U11 Tigers – 50 Games

Hudson Moorcroft – U12 Yellow – 50 games

Max Mason – U13 – 50 Games

Errol Flynn – U17.5 – 150 Games

WINEY COW VOLUNTEER OF THE WEEK

This week's Winey Cow Volunteer of the Week is Karla Smith.

Karla, our club secretary and all-round legend, stayed onsite across the day on Sunday to help support the club with coverage, allowing other members of the exec to step away and watch their teams play.

That kind of support behind the scenes is invaluable and a great example of putting the club first. Thanks

Karla, it is hugely appreciated.
