Round 13 Wrap Up

Round 13 brought beautiful sunshine and perfect conditions for the second-last round of the home and away season. It was a great day of footy, with Tigers teams playing both at home and away across the competition.

With only one round remaining before finals begin, there was plenty to play for. We saw some terrific wins, some tough contests and plenty of players continuing to give their best as the season approaches its conclusion.

Off the field, our team pizza nights have been a great way for players, coaches and families to come together and celebrate their year. These nights will continue this week, giving each team the opportunity to reflect on the season, recognise everyone's contribution and enjoy some time together away from training and game day.

Round 14 takes place this Sunday and will be followed by our family dinner and awards evening at the club. We would love to see as many Tigers families as possible get down to Citation, support our teams and then stick around to celebrate the season together.

There is still plenty happening around the club, so let's make the final round of the home and away season a big one.

Tiger Den Reminder

A reminder to all families to make the most of our Tiger Den, available through the club website. The Tiger Den features businesses who actively support our club, and we would love for it to be your first point of call when looking for services or goods. Whether it's a small job or something bigger, supporting these businesses is a great way to give back to those who give so much to our club.

WINEY COW VOLUNTEERS OF THE WEEK

This week's Winey Cow Volunteer of the Week is our club treasurer, Nick Harkins. Nick's work as treasurer is already an enormous contribution to the club, but the role only tells part of the story. Nick does so much more behind the scenes, quietly getting on with whatever needs to be done without looking for any recognition.

Nick is regularly at the club cleaning, preparing the facilities for game days and helping get everything ready for our events. When the day or event is finished, Nick is often still there making sure everything is packed away properly and the clubrooms are left neat and tidy. Thank you, Nick, for the enormous amount of time and effort you give to SMJFC. The club is a better place because of everything you do, and we are extremely lucky to have you as part of the Tigers family.

BOOTS FOR ALL

We are proud to support U12 Girls player Missy, who is collecting pre-loved football boots for Boots For All.

Boots For All is an Australian charity that collects, cleans and redistributes football boots to children and young people who may otherwise miss out on playing the game they love. Donating a pair of boots can help another young player get onto the field while also giving old boots a second life and reducing waste.

Families can donate clean, gently used AFL, soccer or rugby boots in any size or brand. Please do not donate boots that are dirty, mouldy, badly damaged, missing studs or unsafe to wear.

If you have a pair sitting at home that has been outgrown but still has plenty of footy left in it, please consider donating it to Missy's collection. Bins are available in the pavilion for donation. Every pair can make a real difference, and we would love to see the Tigers community get behind this fantastic initiative.

Well done Missy!
